Conservatorium High School

2021 - Semester 2

Report for:

Alex BROWN

Term 3 Academic Report

Course

12 English Advanced
12 Music Extension
12 Mathematics Extension 1
12 Mathematics Extension 2
12 Physics

Much has been written about the challenges of Learning From Home that students and their families have grappled with during the COVID-19 pandemic. Because of these changes our reports will reflect on different attributes for Semester 2 2021.

Our staff have attempted to provide parents/carers with a school report that expresses the progress our students have made combined with an awareness and understanding of the difficulties they have faced.

We would like to express our appreciation of the efforts that you, the parents and carers have made to support Learning From Home, and we believe that you, too, will extend to the teaching staff your understanding and appreciation of their efforts.

Relieving Principal's Comment

Congratulations Alex. Your relentless enthusiasm and determination have been matched by a burgeoning maturity and focus. It would be fair to say you have begun to "peak" at just the right moment Alex, in the months before and into the HSC. Congratulations Alex, it is very satisfying to see such growth in musical and intellectual endeavour and we stand with you, supporting you to the "final hurdle", the HSC exams.

Mr Ian Barker
Relieving Principal

12 English Advanced

Conservatorium High School

2021 - Semester 2 - Year 12

Student: Alex BROWN

Class: 12EN2

Teacher: Ms Kyomi Coopamah

Final Assessment Rank
15/29

Areas of Learning	Outstanding	High	Sound	Basic	Limited
independently responds to, composes and evaluates a range of complex texts for understanding, interpretation, critical analysis, imaginative expression and pleasure		✓			
uses, evaluates and justifies processes, skills and knowledge required to effectively respond to and compose texts in different modes, media and technologies		✓			
critically analyses and uses language forms, features and structures of texts justifying appropriateness for specific purposes, audiences and contexts and evaluates their effects on meaning		✓			
strategically adapts and applies knowledge, skills and understanding of language concepts and literary devices in new and different contexts		✓			
thinks imaginatively, creatively, interpretively, critically and discerningly to respond to, evaluate and compose texts that synthesise complex information, ideas and arguments		✓			
investigates and evaluates the relationships between texts		✓			
evaluates the diverse ways texts can represent personal and public worlds and recognises how they are valued		✓			
explains and evaluates nuanced cultural assumptions and values in texts and their effects on meaning		✓			
reflects on, evaluates and monitors own learning and refines individual and collaborative processes as an independent learner	✓				

Personal Profile

Area	C	U	S	R	N	N/A
Attempts tasks in a positive manner	✓					
Comes prepared to lessons	✓					
Completes homework and assignments	✓					
Regularly participates in online lessons	✓					

Area	C	U	S	R	N	N/A
Shows initiative and motivation as an independent learner	✓					
Works co-operatively, listens attentively and follows instructions	✓					
Works effectively in the online learning environment	✓					

C = Consistently, U = Usually, S = Sometimes, R = Rarely, N = Never, N/A = Not Applicable

Teacher Comment

Alex has developed an increasing sense of self-discipline in terms of focus and independent study. He is a capable student who is gaining confidence in presenting clear and detailed explanations and descriptions to effectively convey information and ideas. Alex has continued to demonstrate an optimistic and determined approach to his studies as lessons proceeded online. He is to be commended on his ongoing perseverance and perspective. [KC].

12 Music Extension

Conservatorium High School

2021 - Semester 2 - Year 12

Student: Alex BROWN

Class: 12MUX1

Teacher: Ms Jane Cateris

Please use caution when interpreting the final assessment rank as the students are bunched very closely together. (e.g. there is only a 3 mark difference between 1st and 25th rank.)

Final Assessment Rank
20/29

Areas of Learning	Outstanding	High	Sound	Basic	Limited
Demonstrates a sophisticated understanding of the concepts of music and their relationship to each other within musical performances, both ensemble and solo, that develop personal interpretation and expression.	✓				

Personal Profile

Area	C	U	S	R	N	N/A
Attempts tasks in a positive manner	✓					
Comes prepared to lessons		✓				
Completes homework and assignments						
Regularly participates in online lessons						

Area	C	U	S	R	N	N/A
Shows initiative and motivation as an independent learner	✓					
Works co-operatively, listens attentively and follows instructions		✓				
Works effectively in the online learning environment						

C = Consistently, U = Usually, S = Sometimes, R = Rarely, N = Never, N/A = Not Applicable

Teacher Comment

Alex has approached most PW sessions in a professional manner, with particular improvement shown in the last few months. It is pleasing to see how much his playing and performance technique have developed this year. [JC].

12 Mathematics Extension 1

Conservatorium High School

2021 - Semester 2 - Year 12

Student: Alex BROWN

Class: 12MX1

Teacher: Ms Sue Berger

Final Assessment Rank

4/14

Areas of Learning	Outstanding	High	Sound	Basic	Limited
applies concepts and techniques of inverse trigonometric functions and simplifying expressions involving compound angles in the solution of problems		✓			
applies concepts and techniques involving vectors and projectiles to solve problems			✓		
applies advanced concepts and techniques in simplifying expressions involving compound angles and solving trigonometric equations	✓				
uses calculus in the solution of applied problems, including differential equations and volumes of solids of revolution	✓				
applies appropriate statistical processes to present, analyse and interpret data		✓			

Personal Profile

Area	C	U	S	R	N	N/A
Attempts tasks in a positive manner	✓					
Comes prepared to lessons	✓					
Completes homework and assignments	✓					
Regularly participates in online lessons	✓					

Area	C	U	S	R	N	N/A
Shows initiative and motivation as an independent learner	✓					
Works co-operatively, listens attentively and follows instructions	✓					
Works effectively in the online learning environment	✓					

C = Consistently, U = Usually, S = Sometimes, R = Rarely, N = Never, N/A = Not Applicable

Teacher Comment

Alex is a diligent and capable student with a natural curiosity for mathematics. He is encouraged to read examination questions very carefully and to thoroughly revise topics that are unique to the Extension 1 course. It has been rewarding watching Alex's academic development and I wish him well for the future. [SB].

12 Mathematics Extension 2

Conservatorium High School

2021 - Semester 2 - Year 12

Student: Alex BROWN

Class: 12MX21

Teacher: Ms Sue Berger

Final Assessment Rank

2/2

Areas of Learning	Outstanding	High	Sound	Basic	Limited
chooses appropriate strategies to construct arguments and proofs in both practical and abstract settings			✓		
applies techniques of integration to structured and unstructured problems		✓			
uses mechanics to model and solve practical problems		✓			
applies various mathematical techniques and concepts to model and solve structured, unstructured and multi-step problems		✓			
communicates and justifies abstract ideas and relationships using appropriate language, notation and logical argument		✓			

Personal Profile

Area	C	U	S	R	N	N/A
Attempts tasks in a positive manner	✓					
Comes prepared to lessons	✓					
Completes homework and assignments	✓					
Regularly participates in online lessons	✓					

Area	C	U	S	R	N	N/A
Shows initiative and motivation as an independent learner	✓					
Works co-operatively, listens attentively and follows instructions	✓					
Works effectively in the online learning environment	✓					

C = Consistently, U = Usually, S = Sometimes, R = Rarely, N = Never, N/A = Not Applicable

Teacher Comment

Alex is an enthusiastic and highly motivated student who is working extremely well in this subject. He is stimulated by the challenges at this level of mathematics and is determined to solve and understand the most difficult problems. Alex is encouraged to set out proofs more appropriately by showing every logical step. I wish Alex well for the future.[SB].

12 Physics

Conservatorium High School

2021 - Semester 2 - Year 12

Student: Alex BROWN

Class: 12PHY

Teacher: Mr Owen Shepherd

Final Assessment Rank
4/10

Areas of Learning	Outstanding	High	Sound	Basic	Limited
conducts investigations to collect valid and reliable primary and secondary data and information		✓			
explains and analyses the electric and magnetic interactions due to charged particles and currents and evaluates their effect both qualitatively and quantitatively			✓		
describes and analyses evidence for the properties of light and evaluates the implications of this evidence for modern theories of physics in the contemporary world		✓			
explains and analyses the evidence supporting the relationship between astronomical events and the nucleosynthesis of atoms and relates these to the development of the current model of the atom		✓			

Personal Profile

Area	C	U	S	R	N	N/A
Attempts tasks in a positive manner	✓					
Comes prepared to lessons	✓					
Completes homework and assignments	✓					
Regularly participates in online lessons	✓					

Area	C	U	S	R	N	N/A
Shows initiative and motivation as an independent learner	✓					
Works co-operatively, listens attentively and follows instructions	✓					
Works effectively in the online learning environment	✓					

C = Consistently, U = Usually, S = Sometimes, R = Rarely, N = Never, N/A = Not Applicable

Teacher Comment

Alex has made steady progress in Terms 2 and 3 in Physics. He wrote a very good experiment report for his Depth Study. For the recent practice exam, Alex demonstrated a solid grasp of most concepts. To improve, he should continue working through the practice questions and marking his work with the provided solutions which should result in a HSC result he will be proud of. [OS].

Conservatorium High School

2020 - Semester 2

English (Advanced) - Preliminary

Music 2 - HSC

Mathematics Advanced - Preliminary

Mathematics Extension 1 - Preliminary

Chemistry - Preliminary

Physics - Preliminary

Dear Parents and Caregivers

The school provides twice-yearly written reports on your child's progress. In addition, staff are always pleased to meet with parents during the year if there are matters of specific concern.

The written reports provide information about students' progress in each subject: exam results and ranking, class assessment rank, and comments from each subject teacher.

Relieving Principal's Comment

Alex seems to have bounced back quite well this Semester, despite the disruptions of the COVID-19 pandemic. While there is improvement in his results in a number of courses, there is still a lot of work to do to truly maximise his results, particularly in Maths, Physics and Chemistry. Redouble your focus Alex, spend the time in the coming months not only rigorously completing your new work, but going over the areas of relative weakness in the Preliminary courses. Now is the time to knuckle down and work hard towards your HSC in 12 months.

Mr Ian Barker
Relieving Principal

Completes homework and assignments	✓					Is working to potential		✓			
Punctual to lessons	✓										

C = Consistently, U = Usually, S = Sometimes, R = Rarely, N = Never

Teacher Comment

Alex's engagement this semester has seen him make significant gains in English Advanced. His Utopian World was successful in critiquing aspects of society and his musical narration was engaging and effective. Alex's critical poetry essay demonstrated a need for him to further develop his arguments with textual evidence in order to maintain improvement in his writing. He is to be commended for his consistent motivation and pleasing achievements in Preliminary English Advanced. [KC].

Music 2 - HSC

Conservatorium High School

2020 - Semester 2 - Year 11

Student: Alex BROWN

Class: 11MUS3

Teacher: Ms Jane Cateris, Mr Jeffrey Willey

Trial HSC Mark
83/100

Examination Rank (Course)
20/34

Final Assessment Rank
17/34

Areas of Learning	Outstanding	High	Sound	Basic	Limited
Performs repertoire that reflects the mandatory and additional topics and addresses the stylistic and technical demands of the music as a soloist and as a member of an ensemble		✓			
Composes works focusing on a range of concepts, for familiar and unfamiliar sound sources, solo, small and large ensembles, or using a variety of musical structures		✓			
Analyses, discusses, evaluates and clearly articulates compositional processes with stylistic, historical, cultural, social and musical considerations		✓			

Personal Profile

Area	C	U	S	R	N	Area	C	U	S	R	N
Attempts tasks in a positive manner	✓					Shows initiative and motivation as an independent learner	✓				
Comes prepared to lessons	✓					Works co-operatively, listens attentively and follows instructions	✓				
Completes homework and assignments	✓					Is working to potential	✓				
Punctual to lessons	✓										

C = Consistently, U = Usually, S = Sometimes, R = Rarely, N = Never

Teacher Comment

Alex has been a highly-engaged learner in the HSC Course. He has participated actively in class discussions and is very perceptive in score reading, often to the point of seeing the fine detail without seeing the larger picture. Alex needs to practise stating the obvious in his short answers before getting into the detail. He also needs to "step back" from the score he is studying to get a sense of the whole. A rigorous revision program should help Alex achieve a very fine HSC result. [JW].

Mathematics Advanced - Preliminary

Conservatorium High School

2020 - Semester 2 - Year 11

Student: Alex BROWN

Class: 11MA1

Teacher: Mr Robert Cartwright, Mr Michael Skrill

Examination Mark (Course)
41/100

Coursework Mark (Course)
64/100

Coursework Rank (Class)
9/23

Areas of Learning	Outstanding	High	Sound	Basic	Limited
interprets the meaning of the derivative, determines the derivative of functions and applies these to solve simple practical problems			✓		
manipulates and solves expressions using the logarithmic and index laws, and uses logarithms and exponential functions to solve practical problems			✓		
applies appropriate differentiation techniques		✓			

Personal Profile

Area	C	U	S	R	N
Attempts tasks in a positive manner	✓				
Comes prepared to lessons	✓				
Completes homework and assignments	✓				
Punctual to lessons	✓				

Area	C	U	S	R	N
Shows initiative and motivation as an independent learner		✓			
Works co-operatively, listens attentively and follows instructions		✓			
Is working to potential		✓			

C = Consistently, U = Usually, S = Sometimes, R = Rarely, N = Never

Teacher Comment

Alex is an enthusiastic student who wants to do his best in this subject. He will often work in a small group situation which is good to a point, however it limits him gaining valuable practice in developing his own analytic reasoning ability when it comes to solving harder problems.
[MS].

Mathematics Extension 1 - Preliminary

Conservatorium High School

2020 - Semester 2 - Year 11

Student: Alex BROWN

Class: 11MX1

Teacher: Mr Paul Anderson

Examination Mark (Course)	Examination Rank	Coursework Mark (Course)	Coursework Rank
25/50	9/21	31/50	13/21

Areas of Learning	Outstanding	High	Sound	Basic	Limited
manipulates algebraic expressions and graphical functions to solve problems	✓				
applies concepts and techniques of inverse trigonometric functions and simplifying expressions involving compound angles in the solution of problems			✓		
applies understanding of the concept of a derivative in the solution of problems, including rates of change, exponential growth and decay and related rates of change		✓			
uses concepts of permutations and combinations to solve problems involving counting or ordering		✓			

Personal Profile

Area	C	U	S	R	N	Area	C	U	S	R	N
Attempts tasks in a positive manner	✓					Shows initiative and motivation as an independent learner	✓				
Comes prepared to lessons	✓					Works co-operatively, listens attentively and follows instructions	✓				
Completes homework and assignments	✓					Is working to potential		✓			
Punctual to lessons	✓										

C = Consistently, U = Usually, S = Sometimes, R = Rarely, N = Never

Teacher Comment

Alex has worked hard to achieve a good understanding of the topics covered in this course. One topic which he found difficult was trigonometry, so he might find it helpful to review his notes and the textbook chapter on this topic. [PA].

Chemistry - Preliminary

Conservatorium High School

2020 - Semester 2 - Year 11

Student: Alex BROWN

Class: 11CHM

Teacher: Ms Janine Foat

Examination Mark (Course)	Examination Rank	Coursework Mark (Course)	Coursework Rank
51/100	7/12	64/100	7/12

Areas of Learning	Outstanding	High	Sound	Basic	Limited
explores the many different types of chemical reactions, in particular the reactivity of metals, and the factors that affect the rate of chemical reactions			✓		
analyses the energy considerations in the driving force for chemical reactions		✓			
analyses the structure of, and predicts reactions involving, carbon compounds		✓			
describes and evaluates chemical systems used to design and analyse chemical processes			✓		

Personal Profile

Area	C	U	S	R	N	Area	C	U	S	R	N
Attempts tasks in a positive manner		✓				Shows initiative and motivation as an independent learner		✓			
Comes prepared to lessons	✓					Works co-operatively, listens attentively and follows instructions	✓				
Completes homework and assignments		✓				Is working to potential	✓				
Punctual to lessons	✓										

C = Consistently, U = Usually, S = Sometimes, R = Rarely, N = Never

Teacher Comment

Alex has a natural affinity for this subject, but he must pay attention to detail and answer questions systematically if he is to gain the maximum number of marks from exams. Regular revision and regularly attempting difficult questions should see further improvement. [JF].

Physics - Preliminary

Conservatorium High School

2020 - Semester 2 - Year 11

Student: Alex BROWN

Class: 11PHY

Teacher: Mr Owen Shepherd
