Year 12 Report Summary 2021 (Official Report distributed Term 4)

Name: Sohumi Shah

English Advanced 12ENA4 Ms Mathur

Course Rank 16/127

Outcomes	Grade
Independently responds to, composes and evaluates a range of complex texts for understanding, interpretation, critical analysis, imaginative expression and pleasure	B
Critically analyses and uses language forms, features and structures of texts justifying appropriateness for specific purposes, audiences and contexts and evaluates their effects on meaning	A
Social and Emotional Development	Result
Self - Is committed to achieving personal best.	C
Others - Shows consideration and respect for others.	C
Learning - Displays diligence in the completion of tasks and activities.	C
Environment - Engages with the learning environment in a safe and respectful manner.	C

C = Consistently, U = Usually, S = Sometimes, R = Rarely

Teacher Comment

Sohumi's positive attitude to learning and his steady effort this semester has allowed him to achieve excellent results in English this semester. He has demonstrated a perceptive understanding of Module B, skilfully engaging with the given question and analysing the text holistically with relevant quotes and techniques. However, Sohumi's Module C creative writing piece required a stronger narrative and the development of authentic characters. Sohumi is encouraged to complete timed practice examinations, responding to a range of questions to prepare for his upcoming HSC examinations.

Mathematics Advanced and Extension 1 12MAX3 Mr Lam

Course Rank Adv 1/86

Course Rank Ext 1 15/100

Outcomes	Grade
Applies advanced concepts and techniques in simplifying expressions involving compound angles and solving trigonometric equations	A
Uses calculus in the solution of applied problems, including differential equations and volumes of solids of revolution	A
(Adv) Applies the concepts and techniques of indefinite and definite integrals in the solution of problems	A
Social and Emotional Development	Result
Self - Is committed to achieving personal best.	C
Others - Shows consideration and respect for others.	C
Learning - Displays diligence in the completion of tasks and activities.	C
Environment - Engages with the learning environment in a safe and respectful manner.	C

C = Consistently, U = Usually, S = Sometimes, R = Rarely

Teacher Comment

Sohumi is to be congratulated for his diligence and efforts over the year. His Mathematics Advanced and Mathematics Extension 1 Assessment Task 3 results were outstanding, reflecting a level of attention to detail that will serve him well as he heads into the HSC Examinations. In the meantime, Sohumi should continue to engage with past Trial HSC papers to further refine his examination technique and continue to ask questions on Microsoft Teams if he encounters questions he is unable to resolve by checking the solutions.

Outcomes	Grade
Conducts investigations to collect valid and reliable primary and secondary data and information	A
Analyses and evaluates primary and secondary data and information	A
Communicates scientific understanding using suitable language and terminology for a specific audience or purpose	A
Analyses infectious disease in terms of cause, transmission, management and the organism's response, including the human immune system	A
Social and Emotional Development	Result
Self - Is committed to achieving personal best.	C
Others - Shows consideration and respect for others.	C
Learning - Displays diligence in the completion of tasks and activities.	C
Environment - Engages with the learning environment in a safe and respectful manner.	C

C = Consistently, U = Usually, S = Sometimes, R = Rarely

Teacher Comment

Sohum has shown an impressive work ethic and has always persisted to master the course content. He applies himself diligently to class tasks and has persisted to develop his skill of deciphering examination questions and answering them in a succinct and relevant manner. This has been steadily improving as reflected in the Mock Trial Examination. Sohum is encouraged to refine his responses by performing regular examination question practice in the sections of the syllabus that he does not feel as confident with. Seeking teacher clarification or feedback in the lead up to the Higher School Certificate examination should assist Sohum to consolidate his skills and knowledge. His second place ranking is well deserved.

Outcomes	Grade
Selects and processes appropriate qualitative and quantitative data and information using a range of appropriate media	B
Analyses and evaluates primary and secondary data and information	A
Solves scientific problems using primary and secondary data, critical thinking skills and scientific processes	B
Explains and analyses the electric and magnetic interactions due to charged particles and currents and evaluates their effect both qualitatively and quantitatively	A
Social and Emotional Development	Result
Self - Is committed to achieving personal best.	C
Others - Shows consideration and respect for others.	C
Learning - Displays diligence in the completion of tasks and activities.	C
Environment - Engages with the learning environment in a safe and respectful manner.	C

C = Consistently, U = Usually, S = Sometimes, R = Rarely

Teacher Comment

Sohum is an exceptional student of Physics. He has demonstrated enthusiasm, a fine work ethic and always completes tasks to a very high standard. Sohum's performance in both Assessment Task 3 and the Mock HSC Trial was excellent and is a true reflection of his deep understanding of the subject matter and ability to answer questions with clarity and detail. Sohum is encouraged to continue to apply himself with the diligence and persistence he has already demonstrated and practise as many past HSC papers under examination conditions as possible. Sohum is to be congratulated on his positive attitude, work ethic and accomplishments.

Outcomes	Grade
Demonstrates understanding of economic terms, concepts and relationships.	A
Discusses policy options for dealing with problems and issues in contemporary and hypothetical contexts.	A
Evaluates the consequences of contemporary economic problems and issues on individuals, firms and governments.	A
Communicates economic information, ideas and issues in appropriate forms.	A
Social and Emotional Development	Result
Self - Is committed to achieving personal best.	C
Others - Shows consideration and respect for others.	C
Learning - Displays diligence in the completion of tasks and activities.	C
Environment - Engages with the learning environment in a safe and respectful manner.	C

C = Consistently, U = Usually, S = Sometimes, R = Rarely

Teacher Comment

Sohum is proficient at deconstructing multiple choice questions and he has an excellent capacity to respond to short answer questions. Whilst Sohumi structures his extended responses in a cohesive manner, he can strengthen his essays further by discussing a wider range of relevant points. Systematic revision of coursework, wider media reading and increased examination practice will help ensure further progress.

Chemistry	11CHEHSC1 Ms A Konstantopoulos	Achievement: A
Analyses and evaluates primary and secondary data and information		A
Solves scientific problems using primary and secondary data, critical thinking skills and scientific processes		A
Communicates scientific understanding using suitable language and terminology for a specific audience or purpose		A
Analyses the structure of, and predicts reactions involving, carbon compounds		A
SOLE		
Environment - Engages with the learning environment in a safe and respectful manner.		C
Learning - Displays diligence in the completion of tasks and activities.		C
Others - Shows consideration and respect for others.		C
Self - Is committed to achieving personal best.		C

Examination Mark: 95/100

Course Rank: 2/85

Examination Rank: 1/85

Examination Average: 73/100

Teacher Comment

Sohum is an enthusiastic student with an excellent work ethic who has displayed a thorough understanding of all the course concepts. His performance in the Trial HSC Examination was outstanding and a true reflection of his hard work, analytic mind and ability to incorporate and apply his knowledge and understanding. He is encouraged to continue to work diligently and practise as many past HSC papers under examination conditions as possible in preparation for the HSC. Sohum should be congratulated on his effort, ability and determination which have resulted in him being placed first in Chemistry.

Personal Profile

Completes homework to a high standard.	-
Displays diligence in the completion of tasks and activities.	-
Is well organised and prepared for all tasks.	-
Produces high quality work.	-
Shows consideration and respect for others.	-

Information Processes and Technology - HSC

Student: Sohum Shah

Reporting Period: Semester 2, 2019

Class: 10_10IPT

Teacher: Ms Yasaratne

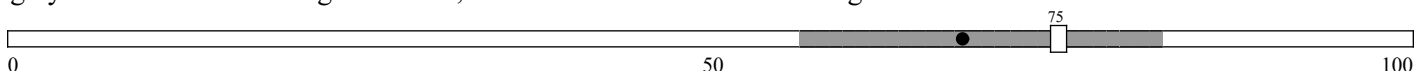

CONTEXT

This year students have been studying Information Systems and Databases, Transaction Processing Systems and Multimedia Systems as well as Communication Systems. They have completed project work on these and sat for the Higher School Certificate in this subject.

STUDENT ACHIEVEMENT

Examination Mark	Examination Rank	Assessment Rank
75/100	4/13	3/13

The graph below compares the student's examination result with the performance of all students in the course. The grey area is the course range of marks; the black dot is the course average.

FOCUS OUTCOMES

Outcome	A	B	C	D	E
Applies and explains an understanding of the nature and function of information technologies to a specific practical situation		✓			
Selects, justifies and applies methodical approaches to planning, designing or implementing solutions	✓				

A = Outstanding, B = High, C = Sound, D = Basic, E = Limited

	Outstanding	High	Sound	Basic	Limited
Percentage of the cohort awarded each grade.	15%	77%	8%	-	-

Learning - Displays diligence in the completion of tasks and activities.	✓			
Environment - Engages with the learning environment in a safe and respectful manner.	✓			

C = Consistently, U = Usually, S = Sometimes, R = Rarely

Teacher Comment

Sohum has been highly motivated this semester persevering with the more challenging concepts in Information Processes and Technology. He has demonstrated a high level of maturity and self direction actively addressing areas of weakness in order to achieve his personal best. Consequently, Sohum achieved highly commendable results in his MultiMedia Animation assessment and the Trial HSC Examination. His experience of undertaking an accelerated course and his great work ethic leading to the HSC will benefit Sohum in the senior classes.

NSW PREMIER'S READING CHALLENGE

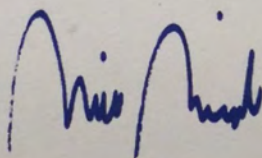

PLATINUM AWARD

Congratulations

Sohum Shah

Metella Road Public School

on your seventh successful year in the
Premier's Reading Challenge

The Hon Mike Baird MP, Premier of NSW

Principal Partner

Technology Partner

Innovation Partners

Gladys Berejiklian MP
Premier of New South Wales

Dear Sohumi Shah

I extend my congratulations on your significant achievement in receiving a 2018 NSW Premier's Reading Challenge Medal in recognition of your continuous completion of the challenge from Year 3 to Year 9.

The Reading Challenge provides the opportunity for students across NSW to read widely and to develop habits for lifelong reading. Your ongoing participation in the challenge demonstrates your commitment to developing a love of reading. I trust that you have enjoyed a great many books as a result.

I thank the school, teachers, challenge coordinators and family, who have supported your engagement with the challenge throughout the years.

Reading is a habit that can be enjoyed for a lifetime and I wish you all the best as you continue to engage with reading in the future.

Yours faithfully,

GLADYS BEREJIKLIAN MP
Premier

NORMANHURST BOYS HIGH SCHOOL

Bronze Award

SOHUM SHAH

is presented with a

Bronze Badge for successfully meeting the requirements of the Leadership Merit Award Program. He has demonstrated high-level academic excellence, co-curricular engagement, leadership and service to the school.

EXTRACURRICULAR AND CO-CURRICULAR OPPORTUNITIES

The Normanhurst Boys High School learning community aims to pursue academic excellence and maximise opportunity for holistic education. This involves challenging students to engage with authentic learning opportunities and become passionate, life-long learners in a variety of practical and rewarding activities to encourage adaptability, resilience, empathy, humility and tolerance.

The table below outlines the list of opportunities that students have the opportunity to be involved in as part of their educational experience during this reporting period. Sohum's involvement is indicated with a tick. Non-involvement is indicated with a cross.

Extended Learning Project

Student: Sohumi Shah

Reporting Period: Semester 2, 2019

Class: 10_10ELP4

Teacher: Mr Virata

CONTEXT

The purpose of the Extended Learning Project was to provide students with an opportunity to work independently over an extended period on a subject of their interest. During the project students developed skills that will enhance their studies in Stage 6 and be of benefit in life after school. The project allowed for intensive research and reflection, providing a deep understanding of their chosen topic. Engagement in the project promoted the development of skills such as time management, research, goal setting, team work and collaboration.

FOCUS OUTCOMES

Outcome	A	B	C	D	E
Project report demonstrates clear analysis and investigation of Quarry Site, includes project management tools and a list of references			✓		
The Project Portfolio included a conclusion that was based on data, evidence and personal reflection of the problem			✓		
Model of Site demonstrated clear evidence of design suggestions, cultural, geographical and historical elements of the quarry, environmental implications due to redesign and good aesthetics		✓			
Project Pitch demonstrated appropriate use of visual and multi modal elements. Ideas were communicated with confidence and team work and collaboration was evident.		✓			

A = Outstanding, B = High, C = Sound, D = Basic, E = Limited

	Outstanding	High	Sound	Basic	Limited
Percentage of the cohort awarded each grade.	29%	33%	33%	4%	-

Teacher Comment

Sohumi has demonstrated a good knowledge and understanding in analysing and investigating the Quarry Site for his group project report. There is good evidence of critical and creative thinking, collaboration and communication skills. The Quarry Model showed adequate knowledge of cultural, geographical and historical elements of the quarry and environmental implications due to redesign. The Project Pitch was adequately prepared and presented with confidence.

Provide financial assistance

\$40 will provide emotional support for families facing blood cancer — especially those experiencing stress about the impact of COVID-19.

Donate \$40

Give a home near treatment

\$80 covers one night of emergency patient accommodation for a family who must urgently relocate for treatment

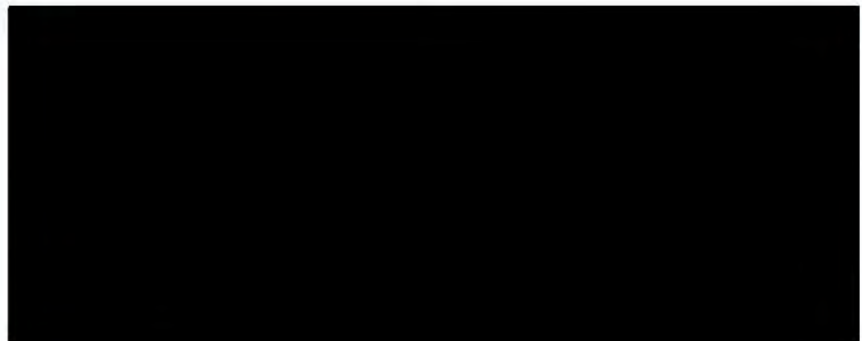

Our message

We're taking part in the World's Greatest Shave for the Leukaemia Foundation — we're on a mission to shave the world from blood cancer!

Please sponsor us to give families facing blood cancer the emotional and practical support they need. You'll also fund vital research to help more people survive blood cancers, while improving their quality of life.

Will you help by sponsoring us?

Dear Year 11,

I just want to congratulate the year 11 boys who participated in 'World's Greatest Shave'.
Sohum (\$180), [redacted] what a fantastic result!

Acknowledgement Letter

September 30, 2021

I am writing to confirm that Sohum Shah participated in the YMHT – Community Youth Group between 2019-2020.

Sohum has always shown a pleasant and positive attitude in his volunteering role at the Dada Bhagwan Community Group. This involved helping run youth services to promote emotional, physical and spiritual well-being, as well as service to help meet the basic needs of the local community.

Sohum sets standards of maturity and commitment that make him a valued member of the youth group. I wish him very best for his future endeavours and would be pleased to discuss if any further details required.

Sincerely,

Joshal Mehta
