

Subject: English (Advanced)
Name: Mingyuan XU
Teacher: Tamara Love

Final Assessment Rank

13/162

Overall Achievement A

Areas of Learning	
Composes a multimodal text that evaluates how historical fiction represents the diversity of the human experience.	Outstanding
Critically analyses the distinctive qualities of a Shakespearean drama to evaluate textual integrity and significance.	Outstanding
Crafts a written response and reflects on stylistic choices.	Outstanding
Demonstrates skills in effective and complex communication.	Outstanding

Attitudes for Learning	
Accepts responsibility for learning	Always
Completes homework, assignments and assessment tasks	Always
Well organised and prepared for all lessons	Always
Positive attitude to learning	Always
Seeks advice and heeds feedback	Always
Works well independently	Always

Teacher Comment

Mingyuan is an attentive and hardworking student who has consistently produced outstanding work over the past year. In his Trial examinations, he achieved outstanding results that are a testament to his diligence and dedication in this subject. He should be extremely proud of what he was able to achieve in this subject. Mingyuan has been a pleasure to teach and I am confident he will continue to achieve success beyond school. I wish him the best of luck for the future.

Subject: Mathematics Extension 1
Name: Mingyuan XU
Teacher: Mr Anthony Hogan

Overall Achievement A

Final Assessment Rank

3/86

Areas of Learning

Applies concepts and techniques involving vectors and projectiles to solve problems.	Outstanding
Uses calculus in the solution of applied problems, including differential equations and volumes of solids of revolution.	Outstanding
Evaluates and justifies conclusions, communicating a position clearly in appropriate mathematical forms.	Outstanding

Attitudes for Learning

Accepts responsibility for learning	Always
Completes homework, assignments and assessment tasks	Always
Well organised and prepared for all lessons	Always
Positive attitude to learning	Always
Seeks advice and heeds feedback	Always
Works well independently	Always

Teacher Comment

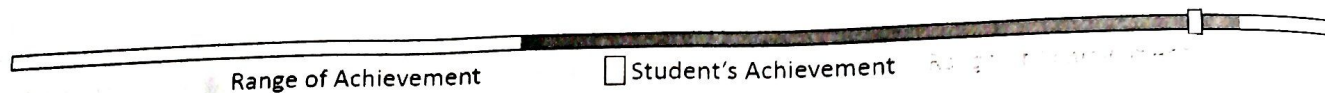

Mingyuan is a fine mathematician who is able to connect ideas and apply concepts in unfamiliar contexts. He always takes time to consider the best approach to solve problems and his work is always set out in a logical manner, which is easy to follow. Mingyuan has shown enjoyment of this very demanding course and his inquisitive nature and natural ability has allowed him to access some of the most challenging problems. His exemplary attitude and commitment to reaching his goals have always been appreciated in class. I wish Mingyuan every success in his chosen career path and future studies.

Subject: Mathematics Extension 2
Name: Mingyuan XU
Teacher: Mr Anthony Hogan

Overall Achievement A

Final Assessment Rank

4/31

Areas of Learning	
Chooses appropriate strategies to construct arguments and proofs in both practical and abstract settings.	Outstanding
Uses vectors to model and solve problems in two and three dimensions.	Outstanding
Uses the relationship between algebraic and geometric representations of complex numbers and complex number techniques to prove results, model and solve problems.	Outstanding
Applies techniques of integration to structured and unstructured problems.	Outstanding

Attitudes for Learning	
Accepts responsibility for learning	Always
Completes homework, assignments and assessment tasks	Always
Well organised and prepared for all lessons	Always
Positive attitude to learning	Always
Seeks advice and heeds feedback	Always
Works well independently	Always

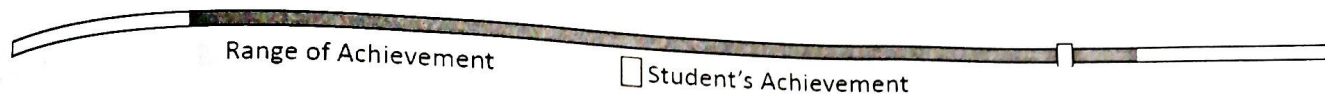

Teacher Comment
Mingyuan has worked with determination and consistency throughout this challenging course. He is quick to learn and apply new skills and he works cooperatively with his peers when required in order to solve challenging problems. Mingyuan showed strong interest in the concepts of this course and this is reflected by his results. The intelligent contributions that Mingyuan makes to class discussions are always appreciated and he is well respected by his peers. I wish Mingyuan success for his future endeavours. He is to be congratulated on his achievements in this course.

Subject: Chemistry - HSC
Name: Mingyuan XU
Teacher: Mr Byrne Laginestra

Overall Achievement A

Final Assessment Rank

6/82

Areas of Learning

Selects and processes appropriate qualitative and quantitative data and information using a range of appropriate media	Outstanding
Conducts investigations to collect valid and reliable primary and secondary data and information	Outstanding
Solves scientific problems using primary and secondary data, critical thinking skills and scientific processes	Outstanding
Describes, explains and quantitatively analyses acids and bases using contemporary models	Outstanding
Describes and evaluates chemical systems used to design and analyse chemical processes	Outstanding

Attitudes for Learning

Accepts responsibility for learning	Always
Completes homework, assignments and assessment tasks	Usually
Well organised and prepared for all lessons	Always
Positive attitude to learning	Always
Seeks advice and heeds feedback	Always
Works well independently	Always

Teacher Comment

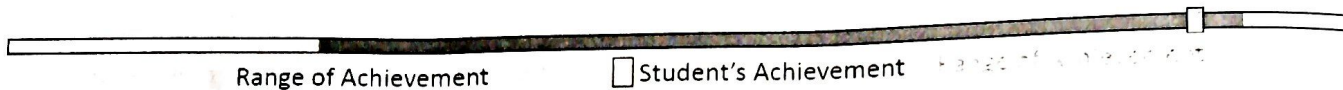

Mingyuan has shown very well-developed numeracy and analysis skills in Chemistry. His writing techniques and grasp of the content have allowed him to achieve very pleasing results in all assessment tasks. Mingyuan is encouraged to continue to practise past papers and self-mark, focusing on questions including higher order verbs and cross-module principles to master the requirements of a Band 6 level response in the more difficult questions. I wish him every success in the HSC and future beyond Gosford High School.

Subject: Physics
Name: Mingyuan XU
Teacher: Ms Pauline Moloney

Overall Achievement A

Final Assessment Rank

3/73

Areas of Learning

Analyses and evaluates primary and secondary data and information	Outstanding
Solves scientific problems using primary and secondary data, critical thinking skills and scientific processes	Outstanding
Communicates scientific understanding using suitable language and terminology for a specific audience or purpose	Outstanding
Describes and analyses evidence for the properties of light and evaluates the implications of this evidence for modern theories of physics in the contemporary world	Outstanding
Explains and analyses the electric and magnetic interactions due to charged particles and currents and evaluates their effect both qualitatively and quantitatively	Outstanding
describes and analyses qualitatively and quantitatively circular motion and motion in a gravitational field, in particular, the projectile motion of particles	Outstanding

Attitudes for Learning

Accepts responsibility for learning	Always
Completes homework, assignments and assessment tasks	Always
Well organised and prepared for all lessons	Always
Positive attitude to learning	Always
Seeks advice and heeds feedback	Always
Works well independently	Always

Teacher Comment

Mingyuan has achieved outstanding results this year and a thorough knowledge of the Physics content. He is an independent, mature learner who demonstrates excellent time management skills, ensuring that he has investigated the content, before he comes to class. I encourage Mingyuan to continue to use the NESA exam packages to increase his knowledge of the requirements for HSC style extended responses. I wish him every success in the HSC and future beyond Gosford High School.

To Whom It May Concern Mingyuan Xu

Mingyuan has been a student at Gosford High School for a period of 6 years and is presently a candidate for the 2022 Higher School Certificate. During this period his attendance has been exemplary and his pattern of study has included: Chemistry, English Advanced, Mathematics Extension 1, Mathematics Extension 2 and Physics.

Academically, Mingyuan is a self-motivated and talented student. He is genuinely interested in learning and his achievement throughout high school has been outstanding. Mingyuan is well organised and dedicated in his approach to all tasks, and his consistently high results in assessment tasks are a testament to his application.

Mingyuan has been an enthusiastic participant in the school sporting program and has represented the school in CHS Volleyball. Additionally, he was also a member of the annual interschool sports competition with Orange High School.

Mingyuan possesses strong leadership abilities. He is well liked by both his peers and whole school community.

Mingyuan has demonstrated his dramatic/musical talents and abilities in by performing dramatic/musical pieces both at celebration assemblies and formal occasions. These activities included: Performed for year 6 opening night 2021 and year 11 presentation assembly 2021.

Mingyuan has contributed to the school community through a variety of cultural and community activities, including but certainly not limited to Peer Tutoring. His commitment to these activities further demonstrates his drive and initiative.

Mingyuan is a motivated and confident young person, who has a very promising future. Mingyuan will be an asset to any organisation and receives our highest recommendation.

Dear Mr Xu,

Please accept this letter as confirmation that you will be awarded the **AMusA (Associate of Music Australia)** diploma in the subject of **Pianoforte** at next year's ceremony for 2022 AMEB Diploma recipients.

In addition to passing the practical component of this examination in June 2021, we also confirm that you have achieved the necessary additional written requirement, in the form of achieving Grade 5 Theory of Music in May 2022.

We look forward to presenting you with your AMusA diploma at the Annual Diploma Presentation Ceremony in March 2023.

Further information about this event will be emailed to you in February 2023.

Wishing you every success for your ongoing studies,

Sincerely

A handwritten signature in black ink, appearing to read 'Vivien'.
