Senior Report Information

Our school reports your child's progress with written reports twice a year and provides ongoing detail through interviews or meetings. Please contact the school to discuss this report and participate in your child's learning and progress with the classroom teacher.

Reports for TAFE subjects will be issued separately by TAFE. Reports for VET subjects will be issued by St Joseph Trades Skills Centre.

Explanation of grading in courses (except VET)

A - Extensive:	The student has an extensive knowledge and understanding of the course content for this particular stage of the course, and can readily apply this knowledge within various contexts. This student has displayed a high level of competence in the processes and skills for this stage of the course and can apply these skills to new situations.
B - Thorough:	The student has a thorough knowledge and understanding of the course content for this particular stage of the course, and has displayed a high level of competence in the processes and skills specific to this stage of the course. In addition the student is able to apply this knowledge and these skills to new situations.
C - Sound:	The student has a sound knowledge and understanding of the main areas of the course content and has displayed an adequate level of competence in the processes and skills at this stage of the course.
D - Basic:	The student has a basic knowledge and understanding of the course content and has displayed a limited level of competence in the processes and skills at this stage of the course.
E - Elementary:	The student has an elementary knowledge and understanding in a few areas of the content and has displayed very limited competence in the processes and skills at this stage of the course.
N - Not evident:	The student has not been able to meet the standard for this outcome/area for assessment.

Learning Outcomes

The Senior Report indicates student performance in their Trial HSC Examination and Final Course Assessment Rank.

Trial HSC Examination Mark

The Examination Mark, relates to the mark attained by the student in the Half Yearly Examination this year.

Trial HSC Examination Rank

The Examination Rank reflects where each student is ranked against other students in the Half Yearly Examination.

Final HSC Course Rank

The Final Course Rank is the ranking of the student after each formal assessment task and in accordance with the weighting of each task as outlined in the assessment schedules. This ranking may change following each assessment task, or as a result of illness / misadventure appeals as decided by the school assessment committee.

It is important that students reflect on their performance and discuss areas for improvement/development with their classroom teacher.

Teacher Comment

Erin has performed exceptionally well in this subject. She will often actively contribute to classroom discussions and successfully completes all necessary class work. Erin is encouraged to continue to prepare for her Studies of Religion Higher School Certificate examination by working through course content and responding to past papers under examination conditions. Erin would further benefit from having a number of key scripture references that she can use to support her knowledge of the Judaism unit. Erin has been a pleasure to teach and as a result of her positive attitude and consistent aptitude she will continue to give herself every chance of significant success in her final examination.

Teacher Comment

Erin is an articulate and dedicated student who has achieved excellent results this semester. She presents exceptional assessment work that is well planned and presented in order to successfully meet the set criteria. Erin is able to compose extended responses to texts with complexity and skill, appropriate to purpose and audience. She has well-developed ability in the analysis of techniques and in articulating their relationship to meaning. Erin is to be congratulated on her commitment to study in the area of English.

Teacher Comment

Erin is a committed, diligent and talented mathematician whose results are a direct reflection of the consistent effort she has applied throughout the course. She has a highly developed capacity to reason and think logically and completes all set work to an exceptional standard. She will now need to ensure that she is thoroughly prepared for her Higher School Certificate Examination by completing several past papers under examination conditions, with a focus on questions requiring higher-order thinking. Erin is to be commended on her exceptional results in this subject and is encouraged to employ her exemplary approach into her post Higher School Certificate endeavours.

Teacher Comment

Erin has achieved outstanding results in both her assessment tasks and examinations in Ancient History. She is a dedicated student who always tries to achieve her personal best; she is always prepared for class and diligently completes all class activities and homework. Erin describes and assesses the significance of key people, groups, events and institutions, societies and sites within the Ancient World. She also demonstrates the ability to locate, select and organise relevant information from a variety of sources. Erin can then analyse and evaluate these sources for their usefulness and reliability. She is able to effectively convey her knowledge and understanding of historical features and issues using appropriate oral and written formats.
