Please note: In these supporting documents, I provide my most recent school report. This is my year 12 semester 1 report, but percentage marks are not given. The HSC trial results are not available as, due to COVID-19, formal trial examinations were not held. I provide my most recent formal school results with a percentage mark. These are my year 11 preliminary results and rank.

MODEL FARMS HIGH SCHOOL

"Achieving Personal Excellence Through Quality Teaching"

16 September 2021

To Whom It May Concern,

Phoebe Hendriks is currently a student at Model Farms High School, completing her Higher School Certificate as a Year 12 candidate in 2021.

Phoebe enrolled into Model Farms High School in 2016 and has been an outstanding student and ambassador for the school throughout this time. Phoebe is an energetic and cheerful young lady, with a wonderfully vibrant personality. She is honest, reliable and has a keen sense of humour, relating particularly well to adults and her peers. Her positive outlook and discretion make her a person whose opinion is always highly valued.

She is also an outstanding academic student, being Dux of her Year group in 2016, 2017, 2018, 2019 and 2020. Since 2016, Phoebe has gained the first position on her yearly reports in courses on 25 occasions including the sciences, mathematics, English courses, humanities and creative arts.

Phoebe is currently a member of the school's Senior Leadership Team through her position of school Vice-Captain. Phoebe gained this position through a merit process, recognised by both staff at the school and her peers. In this role, Phoebe volunteers countless hours for the betterment of the student cohort and the school as a whole. Her contributions are always thoughtful, analytical and considers the needs of others.

Phoebe's attendance throughout her time at the school has been outstanding, demonstrating her commitment to her education. Since 2016, Phoebe has averaged an attendance of 98.1%.

MODEL FARMS HIGH SCHOOL

"Achieving Personal Excellence Through Quality Teaching"

I would like to provide the following list of some of her achievements as evidence of her outstanding contribution to the school.

Year 7

- Dux of the year group
- First in English, Science, Music, Design and Technology and Food Technology

Year 8

- Dux of the year group
- First in English, Science, History, French, Music and Food Technology
- School soccer representative

Year 9

- Dux of the year group
- First in Mathematics, Science, Geography, Commerce, French, History
- Volunteer scribe for students accessing disability provisions
- Remembrance Day ceremony MC
- School soccer representative

Year 10

- Dux of the year group
- First in English, Science, Geography
- Year 10 Sydney University Academic Excellence Award recipient
- SALSA program leader
- Peer Support leader on Year 6 Orientation Day
- Recognition Assembly MC
- Student leader assisting in Year 7 vaccination program

Year 11

- Dux of the year group
- First in Extension English, Advanced English, Extension Mathematics, Advanced Mathematics and Physics
- Year 11 Prefect
- Hills Schools Excellence Award nominee (2nd across all of Hills District)
- Student representative at Western Sydney University High School Principal and Leaders breakfast
- Involvement with Mitchell Youth Leadership camp

MODEL FARMS HIGH SCHOOL

"Achieving Personal Excellence Through Quality Teaching"

Year 12

- School Vice-Captain
- Member of the Year 12 Student Leadership Team
- Note (Yr 12 academic placements are yet to be determined at this point in time)

On every yearly report since her arrival at Model Farms High School in 2016, Phoebe has been awarded the recognition of the highest grade across all attributes in her personal profile. To achieve this across 6 years of education is outstanding.

Phoebe Hendriks has consistently demonstrated that she is an outstanding student with personal attributes that demonstrate understanding, compassion, intellect and self-directed drive.

Phoebe is an outstanding individual and her academic record and attributes demonstrate not only her successes, but her potential for further achievement. I strongly support Phoebe in all her future endeavours.

Regards,

Mark Grady

Principal

To Whom it may concern,

Phoebe has worked at the highest levels of school leadership, but more importantly she has worked 'above and beyond' the sometimes, superficial constraints of school leadership. Too often Leadership at schools is confined to the symbolism of a badge – but Phoebe has never cared for plaudits, she is simply too busy working to achieve her best for the school community.

Her mentoring role was highly evident when she singlehandedly wrote, a leadership programme for our annual leadership camp. She trained her peers in presentation skills and facilitated with her teacher mentors and the end result was a feeling of accomplishment for our SRC, Prefects and Senior Leadership teams. It is incredible to think that she was so measured and calm in relaying her goals as important goals that an entire school leadership team could learn from. As a result, the benefits were seen throughout the school's program of events throughout the school year and Phoebe's imprint was a significant moment in her leadership career.

It is no mean feat to be able to co-ordinate, at times, reluctant leaders – but leadership is a skill that must be nurtured and fostered and the way in which Phoebe has spent countless hours developing positive working relationships with the junior school cohort – which demonstrates that she is more than aware of the significance of developing the skills of the school's future leaders. It is incredible to think that Phoebe has developed a working ethos (complete with proformas) that will act as an invaluable resource for future generations of school leaders.

Of course, as well as Phoebe's outstanding intellectual capacity – she matches this wonderful academic talent, with such a depth of emotional intelligence. School politics (staff and students!) can be a murky business, but Phoebe's calm nature, her ability to transcend age groups (staff and students) is a leadership skill and prowess that can't be taught. Strong leadership skills are inbuilt and Phoebe is a strong leader. Her communicative skills and willingness to always learn are skills she will inevitably carry with her into the next stage of her journey. In troubled times, when our notions of leadership are being challenged, I have complete faith that Phoebe will continue to lead in a diverse and exciting array of new ventures. The world awaits her.

I would be more than happy to verbalise my experience learning from and working with Phoebe. Please feel free to contact me on my mobile 0401405176 or email ashqpr76@yahoo.com

It is with no qualms that I can easily identify Phoebe as one of the most commendable leaders I have worked with in the last decade, in my role at the school as the Teacher mentor of Leadership. She is quite simply one of the very best.

A handwritten signature in blue ink, appearing to read 'Ash Keen'.

Model Farms High School Report Information

Student involvement and extra curricula activities are included in this report.

Academic Marks

The assessment range line graph represents a student's examination performance in relation to all other students in that course. The shaded area represents the range of examination marks, the black dot represents the average and the white box represents the specific student mark.

Student Profile

This section shows the student's approach to learning and the level of application demonstrated in the identified areas.

Areas of Learning

Students are awarded a Grade based on their overall level of academic achievement in accordance with Department guidelines. The performance outcomes describing overall academic performance in achieving course outcomes is highlighted below:

A - Extensive

The student has an extensive knowledge and understanding of the content and can readily apply this knowledge. In addition, the student has achieved a very high level of competence in the processes and skills and can apply these skills to new situations.

B - Thorough

The student has a thorough knowledge and understanding of the content and a high level of competence in the processes and skills. In addition, the student is able to apply this knowledge and these skills to most situations.

C - Sound

The student has a sound knowledge and understanding of the main areas of content and has achieved an adequate level of competence in the processes and skills.

D - Basic

The student has a basic knowledge and understanding of the content and has achieved a limited level of competence in the processes and skill.

E - Elementary

The student has an elementary knowledge and understanding in a few areas of the content and has achieved very limited competence in some of the processes and skills.

Comments

Teachers make an honest appraisal of the student's performance, effort and achievements throughout the course.

Should you have any concerns regarding the information contained in this report, or the progress of your child, please do not hesitate to contact the relevant Year Adviser or Head Teacher.

Model Farms High School Year 12 Half Yearly Report

Subject: English Advanced

Teacher: S. Kyrios

Course Rank
3/24

Personal Profile

Area	A	U	S	R
Behaves in an appropriate manner	✓			
Comes prepared for work	✓			

Area	A	U	S	R
Completes classwork	✓			
Completes homework	✓			

A = Always, U = Usually, S = Sometimes, R = Rarely

Overall Achievement	A	B	C	D	E
	✓				

Areas of Learning

uses, evaluates and justifies processes, skills and knowledge required to effectively respond to and compose texts in different modes, media and technologies	A
critically analyses and uses language forms, features and structures of texts justifying appropriateness for specific purposes, audiences and contexts and evaluates their effects on meaning	A
thinks imaginatively, creatively, interpretively, critically and discerningly to respond to, evaluate and compose texts that synthesise complex information, ideas and arguments	A
investigates and evaluates the relationships between texts	A
reflects on, evaluates and monitors own learning and refines individual and collaborative processes as an independent learner	A

A = Extensive, B = Thorough, C = Sound, D = Basic, E = Elementary

Teacher Comment

An eloquent speaker and writer, Phoebe has maintained high achievement this semester. Her bookwork is well organised, her textual annotations are thorough and her contributions to discussion are appreciated. She brings an insightful understanding of context to our study of the prescribed texts and there is a sense that, despite their flaws, she is able to see the value in all characters. Phoebe is undoubtedly skilled in essay writing. She is encouraged to strive for further length in the Trials.

Overall Achievement	A	B	C	D	E
	✓				

Areas of Learning

demonstrates and applies insightful understanding of the dynamic, often subtle, relationship between text, purpose, audience and context, across a range of modes, media and technologies	A
critically evaluates how perspectives, including the cultural assumptions and values that underpin those perspectives, are represented in texts	A
reflects on and evaluates the development of their conceptual understanding and the independent and collaborative writing and creative processes	A

A = Extensive, B = Thorough, C = Sound, D = Basic, E = Elementary

Teacher Comment

Phoebe has continued to excel in Extension English. Her work-rate is phenomenal and her stream of drafts indicates that she works at levels far superior to most of her grade. Her willingness to read many novels in the search for more contextual and conceptual meaning, is a skill that will stand her in good stead for the coming years. Phoebe's creative work remains at a university level. The highest compliment that I can make is that I would pay to read her narrative work. Kudos, Phoebe.

Areas of Learning	
Conducts investigations to collect valid and reliable primary and secondary data and information	A
Analyses and evaluates primary and secondary data and information	A
Solves scientific problems using primary and secondary data, critical thinking skills and scientific processes	A
Explains the characteristics of equilibrium systems, and the factors that affect these systems	A

A = Extensive, B = Thorough, C = Sound, D = Basic, E = Elementary

Teacher Comment

Phoebe is a conscientious and hard-working student who has an outstanding understanding of the content covered so far in Chemistry. She asks questions to help clarify her ideas and is an active participant in all lessons (both theory and practical). To continue to improve her results, Phoebe would benefit from practice answering past HSC questions in order to become more familiar with the wording that is used. Well done Phoebe.

Model Farms High School Year 12 Half Yearly Report

Areas of Learning

applies the concepts and techniques of periodic functions in the solution of problems involving trigonometric functions and graphs	A
applies appropriate differentiation methods to solve problems	A
applies various calculus techniques to model and solve problems	A
applies the concepts and techniques of indefinite and definite integrals in the solution of problems	A

A = Extensive, B = Thorough, C = Sound, D = Basic, E = Elementary

Teacher Comment

Phoebe is a dedicated student who applies great effort and diligence in completing her class work. She is an enthusiastic learner who shows responsibility and initiative towards her own learning. Phoebe's assessment task results were fantastic and a credit to her hard work, determination and commitment to studying at home in order to achieve her best. With continued effort and practice of exam style questions, Phoebe will be well prepared for the Trial exams.

Overall Achievement	A	B	C	D	E
		✓			

Areas of Learning

applies techniques involving calculus to model and solve problems	C
applies the inverse function with methods of differentiation and integration	B
uses calculus in the solution of applied problems	B
applies advanced trigonometric concepts and techniques in simplifying expressions involving compound angles and solving trigonometric equations	A

A = Extensive, B = Thorough, C = Sound, D = Basic, E = Elementary

Teacher Comment

Phoebe is a dedicated student who applies great effort and concentration in class. She works collaboratively with others to develop her skills and depth of knowledge and provides additional learning opportunities and support to her peers. Phoebe's assessment tasks results were good, however, a little lower than anticipated given her application in class and thoroughness of her preparation. Additional emphasis placed on refining skills and practising challenging questions would be beneficial.

Areas of Learning	
proposes arguments about the varying causes and effects of events and developments	A
evaluates the role of historical features, individuals, groups and ideas in shaping the past	A
assesses the significance of historical features, people, ideas, movements, events and developments of the modern world	A
analyses and interprets different types of sources for evidence to support an historical account or argument	A
plans and conducts historical investigations and presents reasoned conclusions, using relevant evidence from a range of sources	A

A = Extensive, B = Thorough, C = Sound, D = Basic, E = Elementary

Teacher Comment

Phoebe is a hardworking and diligent student in Modern History. Her hard work and dedication can be extensively illustrated with her excellent marks in both her assessment tasks. I am very pleased with her performance in Modern History; she is a very motivated and enthusiastic student who demonstrates great potential in the subject. She needs to ensure she stays focused and revise her work and practise exam questions under exam timed conditions. It has been a pleasing effort from Phoebe!

Solves problems quantitatively by applying Physics principles	A
Communicates Physics principles with respect to real world applications	A
Conducts investigations to collect valid and reliable data	A

A = Extensive, B = Thorough, C = Sound, D = Basic, E = Elementary

Teacher Comment

Phoebe is an actively engaged student in both theory and practical lessons demonstrating a consistently high level of diligence. She designed an investigation to collect and analyse first-hand data describing circular motion and motion in a gravitational field, particularly of a projectile that evidenced an extensive knowledge and understanding. Phoebe is encouraged to increase her level of practice of her problem-solving skill by regularly completing past HSC questions under timed conditions.

Areas of Learning

Demonstrates and applies considered understanding of the dynamic relationship between text, purpose, audience and context, across a range of modes, media and technologies	A
Thinks deeply, broadly and flexibly in imaginative, creative, interpretive and critical ways to respond to, compose and explore the relationships between sophisticated texts	A
Develops skills in research methodology to undertake effective independent investigation	A
Articulates understanding of how and why texts are echoed, appropriated and valued in a range of contexts	A

A = Extensive, B = Thorough, C = Sound, D = Basic, E = Elementary

Teacher Comment

It is hard to find a suitable superlative that represents Phoebe's journey in Extension English. Her narrative writing continues to produce university level scripts and her Yearly Exam portrayed characters and situations that were excruciating in their familial dysfunction, yet outstanding in how Phoebe utilises inference to convey conflict. Her analytical work is equally impressive and the magnitude of her draft essays ensures no stone is unturned in her pursuit of excellence. I am in awe.

26th September 2021

To Whom It May Concern

I first met Phoebe in my capacity as a Leader with 2nd Baulkham Hills Scouts when she commenced with our cub unit (for 8–10-year-olds) in 2011. Since this time, she progressed from Cubs to Scouts and over the last 3.5 years has been in the Venturer Section where I hold the position of Venturer Leader. Throughout her time in the Scouting organisation, regardless of the youth section, Phoebe has always shown commitment, leadership, self-drive, teamwork, superior planning, and coordination of events, as well as awareness and contribution to the community.

During her time in the Scout Section, Phoebe achieved the highest award in this section, the Australian Scout Medallion and was then presented with a “white cord” which recognised her leadership and contributions to this section and gave her the opportunity to mentor and provide guidance to youth members.

On moving to the Venturer section, Phoebe was active in the involvement of many activities and camps at a unit, regional and state level. Phoebe has been recently awarded the prestigious **Queen’s Scout Award**. The attainment of this award requires a significant commitment and self-drive over the 4 years in the Venturer section, in order to achieve the award criteria. Phoebe has organised weekend camps and unassisted hikes, completed route and menu plans, formulated risk assessments, collaborated with colleagues, motivated participants, developed resilience, and adapted to the many challenges and constraints that arose. Whilst COVID presented many challenges and in some cases barriers, Phoebe did not let these events reduce her commitment or motivation to achieve personally and for the benefit of the Venturer unit and wider community. During COVID, Phoebe was active in coordinating and organising a wide range of activities and events that were compliant with the guidelines provided by NSW Health and Scouts NSW. These ranged from physical activities, on-line games, and challenges as well as online educational and upskilling events for the unit.

With Phoebe’s ability to coordinate, motivate and assist, she was formally recognised by her peers in 2020 and elected to the position of Venturer Unit Chair which formally provided additional responsibilities including coordinating opening and closing parades, weekly meetings and a member of Unit Council which is responsible for reviewing and assessing activities and achievements of members of the unit.

Throughout her scouting journey, Phoebe has always been very involved in activities, events and initiatives that have supported both the community and also has a very dedicated environmental and community awareness. Phoebe liaised with the Underwater Research Group (URG) from UNSW to undertake an initiative collecting, surveying, and comparing debris from the sea and shore of Clifton Gardens in Mosman. She has organised teams and fundraising for weekend Cancer Council events, has coordinated requirements for Clean Up Australia Day and was the leader in providing a submission to Sydney Water to improve the safety of gas storage for the 2nd Baulkham Hills Scout Group which resulted in a \$1000 grant to the committee and the subsequent installation of a safe storage facility.

Phoebe's contributions within the scouting world have been significant. She has been an active contributor at events locally, regionally and within NSW and also supported the global scouting community with attendance at a 16-day international venture in New Zealand. She has participated in many courses and upskilling opportunities across different disciplines of leadership, abseiling, caving, bushwalking, cycling, and canoeing. With the increase in skills and confidence, Phoebe has been able to provide education, mentoring, guidance, and motivation to her fellow unit members as well as regional and state-wide community members through the coordination of training days, delivery of speeches, providing presentations on achievements and informal discussions.

2nd Baulkham Hills have been extremely lucky to have Phoebe as a valuable youth member for the last 10 years and we are very proud of Phoebe and her achievements and the dedication and commitment in the pursuit of personal excellence and making a positive contribution and difference to the world.

There is no doubt that Phoebe is a future leader and would be a very welcome addition to any organisation.

Yours Sincerely,

A handwritten signature in purple ink, appearing to read "M Fry".

Dear Phoebe,

RE: Your Queen's Scout Award

I wish to congratulate you on achieving the Queen's Scout Award.

You have spent many hours acquiring new knowledge and skills, whilst completing the requirements of the award. You should feel a great sense of achievement now you have attained this goal.

We have posted the badge for the award to your Venturer Leader. In consultation with your Unit Council, you now have a choice of how, where and by whom you would like your badge to be presented. This could happen at a local Group or District night/event, at a Region camp or perhaps a more intimate gathering. So many possibilities so make sure you consider these, deciding what is best for you. I know you will wear the Badge proudly. Hopefully this will inspire your fellow Venturers to strive for the same goals that you have now reached.

Your Award Certificate will be presented to you at Government House in Sydney, and you will be advised of the details in due course by the State Team.

Again, congratulations on your achievement.

With best wishes,

Yours in Scouting,

Mitchell Stubbs^{JP}
State Commissioner

Phoebe Hendriks

2nd Baulkham Hills

Phoebe has consistently demonstrated a commitment to achieving her Australian Scout Medallion throughout her time within the Scout Section. Her enthusiasm, maturity and leadership have been her major strengths and through planning and commitment has this achieved this Award.

In achieving her Australian Scout Medallion, Phoebe has completed her Adventurer Level Journey component with a hike from Mt Victoria to Blackheath. She also attended a District Scout Leadership Course.

Phoebe's Leadership Activity was very special indeed, involving all Sections of the Group in an Environmental Project. This involved collecting, surveying and comparing debris from the harbour and foreshore of Clifton Gardens in Mosman. Phoebe planned and conducted this activity over 3 weekends in collaboration with the Underwater Research Group (URG) from the University of New South Wales. This included some of our members scuba diving with the URG. The project ran over 3 months with 38 people involved from the Group. During the activity over 3000 pieces of rubbish weighing over 25 kilograms was collected, sorted and classified in support of ongoing research related to the marine environment.

Phoebe is a very worthy recipient of this Award.

THE HILLS MUSIC ACADEMY INC.

MUSICAL DIRECTOR - Mr Garry Clark

16 September 2021

To whom it may concern,

I have known Phoebe Hendriks for ten years through her involvement various band programs, of which I am Musical Director. Phoebe has progressed through the levels of bands at both Matthew Pearce P.S. and The Hills Music Academy (HMA) Community Bands.

Phoebe has been a member of the Hills Music Academy for 7 years, since early 2015, as a Percussionist. She has supported and performed with both HMA Bands at many local, state and national events including several NSW State Band Championships, winning the title in 2019.

In 2018 the HMA Bands organized a major concert to support drought relief efforts of The Lions Club, and were subsequently invited to perform at The Lions Club Gala Dinner at the International Convention Centre in 2019.

In 2016 HMA teamed up with local Lions Clubs to raise funds for the Lions' Children's Mobility Foundation, raising money for a walker for a young girl with Cerebral Palsy. This was a 'Last Night of the Proms' style event.

As well as all of the above events, Phoebe has supported local Remembrance Day Ceremonies and the Hills Relay for Life (Cancer Council) events many times.

Phoebe is a conscientious and mature student, always looking to advance her skills, and is reliable and well behaved in rehearsals. Phoebe has always been a wonderful mentor and teacher to younger students. Phoebe performs at a very high level and studies regularly with the best local tutors.

I would have no hesitation in recommending Phoebe as a very dependable young person. It is an absolute pleasure to count her as both a colleague and a friend.

Yours Sincerely

Garry Clark (BMus/BTch)

September 25, 2021

Tessa Gutierrez

E: drumfill2000@yahoo.com.au

M: 0404 331 646

To Whom It May Concern

I have known Phoebe Hendriks as an orchestral percussionist since she was 8 years old and in her primary school concert band.

Phoebe is a valued member of drumfill percussion ensembles. During her high school years Phoebe has assisted by playing leading and pivotal roles in each piece of percussion ensemble literature that drumfill rehearsed and performed.

Possessing some wonderful personal attributes, Phoebe is a cheerful and outstanding team player who follows directions carefully, has superb communication skills, encourages and motivates students around her, and who consistently demonstrates fantastic spatial awareness by setting up her percussion playing space to ensure that all the instruments required are close at hand.

Phoebe leads by setting a great example. She is punctual, diligent, comes to rehearsals and performances fully prepared with the required percussion mallets and music, assists (without being asked) by ensuring that the ensemble room and stage are ready for rehearsal or performance, demonstrates attention to detail when playing her own musical roles, and is always one of the first to put her hand up to participate in a new performance opportunity.

At community performances and Eisteddfodau, Phoebe is a wonderful asset for the youngest drumfill percussion ensemble members, especially back stage. She does this by assisting them to set up swiftly on stage when their ensemble is announced, and ensuring that they walk through their movements on stage prior to the first performance note. Additionally, Phoebe assists these young percussionists by ensuring they walk off stage with everything they walked on stage with, in a professional manner. All on stage steps are required to be completed in less than five minutes. Without Phoebe's assistance with the junior members, the Eisteddfod rules would not be adhered to. Further, when volunteers are required to help load bulky percussion ensemble instruments onto trucks and into cars both before and after performances, Phoebe and her family have been among the first to lend their invaluable assistance.

Performances that Phoebe was instrumental in assisting drumfill percussion ensembles to attain the highest recognition include but are not limited to the 2019 Sydney Eisteddfod (Winner, 19 & Under Percussion Ensemble; 2nd Place Year 6 and under percussion ensemble) and The 2019 Australian Percussion Eisteddfod (Senior drumfill Percussion Ensemble Highly Commended, Intermediate drumfill percussion ensemble Highly Commended, Junior drumfill percussion ensemble First Place).

It has been my honour to complete this reference for Phoebe Hendriks. From her experience with drumfill percussion ensembles, it is my firm belief that Phoebe possesses great communication and spatial skills, is an eager, diligent, prepared, well-liked, cheerful and highly valued team-player. These attributes will be wonderful assets for not just her Tertiary studies - but to her future employers and their companies, in whatever field of endeavour she pursues.

My very best wishes to Phoebe for what I know will be a very bright, committed, faithful and fulfilling future in whatever field she chooses to pursue.

I am very happy for you to contact me if any aspect of this reference requires further clarification.

Kind Regards

A handwritten signature in black ink, appearing to read 'Tessa Gutierrez', with a stylized flourish at the end.

Tessa Gutierrez BMus BEd BA (Internet communications) (Hons)
Director, drumfill percussion ensembles

16/9/2021

To whom it may concern,

My name is Jeremy Gardner I have had the pleasure of teaching Music and directing Phoebe Hendriks in the Model Farms High School Jazz Ensemble. I have known Phoebe since she started in Year 7 at Model Farms High School in 2016.

In 2019 Phoebe was a valued member of the Model Farms Jazz Ensemble playing the drumkit and demonstrating a high level of technical skill and talent .Phoebe showed herself to be a quick learner and was able to understand how to play as part of the ensemble as well as a soloist. She has an excellent work ethic and this is best demonstrated by her commitment to band rehearsals and her own practice in preparation in learning the music. Notable performances for the year that she was a part of were The Manly Jazz Festival and Jazz at the Pines, where on each occasion the band played a set for 45mins.

Phoebe is an intelligent and well-rounded individual who would be an asset to any institution.

Sincerely

A handwritten signature in black ink that reads "J. Gardner". The signature is written in a cursive, flowing style with a small dot at the end.

Mr Jeremy Gardner

Mob: 0450671855

Email:Jeremy.gardner@det.nsw.edu.au

15 September 2021

To whom it may concern

Phoebe Hendriks work in my office from September 2019 until January 2020 usually 1 day per week after school hours and longer day during school holidays.

Her duties included

- filing loose client paperwork into the client file
- resorting client files contents
- achieving and cataloguing older client files

I found Phoebe to be punctual in her attendance and conscious in the tasks that she was asked to perform.

Yours sincerely

John Gale Dip FS (FP), AFP®, JP
Authorised Representative of Hillross Financial Services Limited

Explanation of Other Employment

I, Phoebe Hendriks, have had three paying jobs working at:

1. Gale and Associates – financial planning office (September 2019 to January 2020)
2. Recycled Books – second-hand bookstore (August 2019 to August 2020)
3. Percussion tutor (May 2020 to now)

I have provided evidence for my employment by John Gale on the previous page.

Unfortunately, I am unable to obtain reference letters for my other two places of employment as my employer at Recycled Books sadly passed away due to illness and I am a self-employed percussion tutor. Thus, I am writing this to outline my other two jobs and hope you understand the lack of evidence for them.

Recycled Books

I worked at Recycled Books for 12 months before the business had to close. I worked on Thursday afternoons, some Saturdays, and several six-hour days during the school holidays. I was the sole employee of the business, employed primarily for my typing skills, but also as a shop assistant.

My duties including:

- Listing books online on AbeBooks. I averaged one hundred and ten books for a three-hour shift.
- Answering phone enquiries.
- Dealing with customers in the shop including helping them find books, recommending books, and selling said books.

I have included, on the next page, a scan of the Christmas card Steve, my employer, gave me in December of 2019, as it is the only physical evidence I have of his praise. The Christmas card came with a \$100 bonus – a thank you for my hard work and dedication to the business.

I loved working at Recycled Books because I love literature, and I enjoyed the mechanics of a small business: the intimacy of dealing with regular customers that is harder to achieve in a larger business. I liked having a task – a stack of 100 books to list, for example – and persistently working to accomplish the task. It is a wonderful feeling to see your diligence make a difference to the business.

Percussion tutor

I am a self-employed percussion tutor, and have been for the last 17 months. My name and contact details are on a list of accepted percussion tutors available at several local primary schools. This year, I tutor two students from Matthew Pearce Public School, in tandem with the musical education they receive being part of the school band.

For me, tutoring is not just a way to make money, it's also a way for me to give back to the community. I went to Matthew Pearce Public School and began my musical education in the band system there. By tutoring these students, I feel I am re-engaging with my public school band community, as well as investing my efforts into improving the musical skills of my students. As with my time at Recycled Books, I like being able to gauge the result of my work – I like seeing my students improve and succeed.

Hi PHOEBE

WISHING YOU A

Merry Christmas and
a Happy New Year

Really appreciate all

your help you have
been

an absolute pleasure

to work with

Thank you for your
