Teacher Comment

Aleena is a diligent student who has achieved outstanding results this semester. She is a conscientious and hardworking student who contributes to class discussions, interacts well with her peers and completes class work in a timely manner. Aleena's Multimodal task demonstrated an insightful and perceptive understanding of Texts and Human Experiences and an ability to deliver a speech in an engaging manner. Additionally, her essay responses display her skillful application analysis and discussion of key concepts, form and features. To further improve, Aleena should continue to refine her examination technique by practising writing responses under examination conditions.

Teacher Comment

Aleena has worked consistently to achieve high outcomes success. However, she needs to thoroughly revise topics involving rates and ratio and applications of scale, seeking help as needed to ensure fluency in these topics. She is encouraged to push herself a little harder and maintain a regime of consistent revision in the lead up to the Trial HSC and HSC examinations, to ensure she reaches her potential.

Teacher Comment

Aleena approaches her work conscientiously in Biology. She has demonstrated an assured understanding of Biology concepts, as evident from her Module Test. Her result for the Practical Task demonstrates her competent skills in planning and conducting first-hand investigations. Aleena's overall grade has been impacted by her late submission of the Depth Study component of the Practical Task. To improve, Aleena should regularly revise her class notes and complete practice examination-style questions.

Teacher Comment

Aleena is a capable student who endeavours to complete tasks to the best of her ability. Her Independent Research Project was well presented and she displayed very good results, however, more detailed information was required in her Analysis and Discussion and Conclusion. Aleena demonstrated very good knowledge and understanding of the course work in the Module Test, however, she needed to provide more detailed information in her extended responses. Aleena can build on this result with continued revision, practising past HSC type questions and participating more actively in class discussions and activities.

Teacher Comment

Aleena is a diligent student who has made steady progress in Business Studies. Her Extended Response on the topic, Human Resources, showed a thorough understanding of the relationship between influences and strategies, however, Aleena should focus on clearly relating additional implications to provide a critical analysis of contemporary business issues. Also, Aleena's Stimulus Business Report on the topic, Finance, demonstrated Aleena's ability to apply business theory to situations to effectively address a range of key directive terms. Aleena must submit homework on time and practise her writing under timed conditions to further improve.
