International Baccalaureate Interim Report

Levels of Achievement

Your child's overall achievement in each learning area and/or subject studied in the reporting period has been awarded a level of achievement from the following range:

- 7** Demonstrated an exceptionally high level of performance for the subject
- 6** Demonstrated a high level of performance for the subject
- 5** Demonstrated achievement above the minimum requirements for the subject
- 4** Satisfied the minimum requirements for the subject
- 3** Displayed potential to reach the minimum requirements for the subject
- 2** Demonstrated a low level of performance in the subject
- 1** Demonstrated a very low level of performance in the subject
- N** Insufficient evidence to make a judgment.
- SAT** Student has demonstrated satisfactory progress in this subject.
- UN** Student has not demonstrated satisfactory progress in this subject.

Comparative Reporting

The graphs on the report card show your child's level of achievement in each subject against the achievements of other students in the school, in the same year level who undertook the subject. This information will show you the number of students in each of the levels of achievement. This information is subject to the privacy of individual students being maintained (as a result some graphs may not be displayed).

Reporting***Please note:*

This report includes achievement results based on teacher's professional judgement of student progress, through formal and/or informal assessment. The achievement result is based on the latest and fullest information and is reflective of the student's progress at that particular point in their course. The purpose is to provide students the opportunity to respond to the feedback by reflecting on their progress and setting goals for improvement.

HOMEWORK CODES

Excellent - Reliably completes all set work with the required degree of attention and quality.

Very Good - Reliably and genuinely attempts set work with the required attention and quality.

Satisfactory - Completes set work to a satisfactory standard.

Needs Attention - The reliability of attempt and required attention to quality of set work is variable.

Unacceptable - Cannot be relied upon to complete nor attempt set work required to support and enhance learning.

International Baccalaureate Interim Report

Levels of Achievement (Year 11)

Your child's overall achievement in each learning area and/or subject studied in the reporting period has been awarded a level of achievement from the following range:

The following levels of achievement are also used:

- A** Evidence in the student's work typically demonstrates a sophistication of conceptual understanding and skills from the standard that are able to be transferred to new situations.
- B** Evidence in the student's work typically demonstrates a developing sophistication of conceptual understanding and skills from the standard and these are beginning to be transferred to new situations.
- C** Evidence in a student's work typically demonstrates that they have developed the required conceptual understandings and skills to meet the standard and are able to apply them in familiar situations.
- D** Evidence in the student's work typically demonstrates that they are still developing the required conceptual understandings and skills from the standard and that they are beginning to be applied in familiar situations.
- E** Evidence in the student's work typically demonstrates that the student has not yet developed the required understanding and skills to meet the standard and that they can only apply them in scaffolded situations.
- N** Insufficient evidence to make a judgment.

The following levels of achievement are also used:

- 7** Demonstrated an exceptionally high level of performance for the subject
- 6** Demonstrated a high level of performance for the subject
- 5** Demonstrated achievement above the minimum requirements for the subject
- 4** Satisfied the minimum requirements for the subject
- 3** Displayed potential to reach the minimum requirements for the subject
- 2** Demonstrated a low level of performance in the subject
- 1** Demonstrated a very low level of performance in the subject
- N** Insufficient evidence to make a judgment.
