BRISBANE GIRLS GRAMMAR SCHOOL

Explanatory Notes

Your daughter's Academic Progress Report presents Queensland Curriculum and Assessment Authority's (QCAA) confirmed results for QCAA Assessment Event 1 summative tasks completed during Term 4 2021 and Term 1 2022.

These reported results are the first of four task results in each subject. These task results are used to determine a student's overall grade for each subject upon completion of Year 12. The four assessment tasks consist of three internal assessments and one external assessment.

Detailed task-specific comments for each piece of completed assessment have been made available during the semester via the School's Continual Reporting platform. Parents can access the platform via Minerva or the BGGS App. Parents and students are encouraged to review this feedback in preparation for further assessment tasks during 2022.

The record of absence noted on this report reflects the number of days a student was not present on campus. Due to Queensland Government health directives for COVID control purposes, a student may have been required to be in isolation yet still undertook remote learning. Thus, the absence does not account for times when a student was actively engaged in learning remotely.

Days Absent: 9

Times Late to School: 8
