ACADEMIC TRANSCRIPT

Explanatory Notes

The **Academic Transcript** is provided twice per year as notification of a student's progressive results. As such, until the final result of Year 12 is determined, all Subject Results should be understood as "*working towards*".

Further detailed feedback on formative and summative tasks is available to students and parents through Canvas.

The transcript also provides a list of the student's co-curricular activities to date in the current school year.

Years 7 to 11

Subjects reported with numerical results

- **Subject Result** is the student's progressive overall achievement in summative assessment tasks thus far in the course shown as a percentage result.
- **Distribution of Subject Results** identifies how many students at the time of this transcript have achieved in each result range. Note that each percentage band corresponds with a descriptor that is used by the College to indicate progress against national and state curriculum standards:

Emerging	Developing	Demonstrating	Advancing	Extending
0% - 29%	30% - 54%	55% - 72%	73% - 87%	88% - 100%

Subjects reported with letter grades

- **Subject Result** will be shown as a letter grade from A to E (without +/- qualifiers); *this system is used for a few Applied-introductory and Applied level subjects in Years 10 and 11.*
- **Distribution of Subject Results:** the distribution range corresponds to **subject-specific** standards for A to E judgements; *details about a subject's A to E standards are available from the class teacher, Head of Faculty and online subject syllabus.*

Year 12

- **Subject Result:** as the last OP cohort, each student's subject result, or LOA (Level of Achievement), continues to be reported on a VHA to VLA 15-point scale using +/- qualifiers i.e. from VHA+ to VLA-
- **Distribution of Subject Results:** the 5-band distribution range for Year 12 results uses VHA to VLA:
 - VHA - Very High Achievement
 - HA - High Achievement
 - SA - Satisfactory Achievement
 - LA - Limited Achievement
 - VLA - Very Limited Achievement

If you have questions about...

- *subject tasks and/or marking:* *contact the class teacher or Head of Faculty*
