PCR TYNDALE

Mr Askin

Sophia's pleasing demeanour and attitude make her an asset to our PC group. She is always perfectly attired, setting a strong example for her peers. One of our four foundational values is to love faithfully which Sophia has demonstrated very well. She has shown compassion and respect in all of her interactions with students and staff. When Sophia contributes to class discussions, she is always sensitive of others and shows good depth of thought. She wears the King's uniform correctly and with pride, setting an example for others. It is a delight to have Sophia in this class and I look forward to her continued growth.
