Mentor Comment

Tom, you have shown yourself to be a capable leader and role model in many ways, not least through your role as co-chair of the Character Committee. You have always commanded the respect of your peers and staff due to your compassion for others, your honesty and sense of loyalty. You are always happy to help others when asked and have done a great deal to make the mentor group welcoming and inclusive. I sincerely thank you for that. Your commitment to the House has long been evident in a wide variety of ways. It has been a pleasure having you as a member of the mentor group for the past four years and I wish you the very best for the future.

Mr A Apted

Assistant Head of Senior School

You have consistently demonstrated gratitude and pride in being a member of the Hutchins community, Thomas. You are always respectful and eager to adhere to School values; traits that earned you a School Prefect role this year and Chair of Character Committee. We have loved to have you in Buckland House in the Senior School and appreciate your many contributions to mentor and House events. I wish you well for your final semester at Hutchins, Thomas and hope that you will reflect very fondly on your time at the School in future.

Mr S Manson
