House Coordinator Comment**Ms Prue Richards**

Dylan is commended on his academic and co-curricular achievements this Semester. An active member of the House Leadership team, he has run some engaging House activities, the meditation being the most notable. In his reflection, Dylan has commented that he enjoys the relaxed feel of Anderson House and the opportunity the sporting events afford him to connect with his House peers. Dylan has lead by example across all the House events. Anderson was most appreciative of his efforts in the House Tug of War and House Football competitions. Of particular note was Dylan's willingness to fill in several gaps in the House Swimming carnival. Representing the School, Dylan has enjoyed his debut playing in the AGSV Firsts Football team.

Mentor Comment**Ms Melinda Allsop, Ms Prue Richards**

Dylan has continued to approach his academic studies in a diligent and conscientious manner. Without doubt it is this drive and dedication that has lead to his achievement of a 93 percent average across his subjects and for this he is commended. His tremendous effort is reflected in his Learning Behaviours which are Consistent across his subjects. Certainly, these results and his approach provide Dylan with a strong framework for Semester Two.
