Attitude and Effort

Very Good

Clarissa successfully completed this thought-provoking unit of work on Love. Although quiet in class, she has been attentive during discussions and has listened to the views of her peers. Clarissa's group presentation on soul mates was well informed and interesting. There is no assessment grade given in this subject, yet she has been engaged with the content and has completed all class activities positively. I have enjoyed teaching Clarissa this year and I wish her all the best for the future.

Attitude and Effort

Excellent

Clarissa has achieved an outstanding improvement to her marks this semester, demonstrating an exceptional mastery of the material covered in class. In every aspect of the course she is operating at a high level of competency in problem-solving. The depth of understanding Clarissa has of the course material has enabled her to reach this excellent standard. I commend Clarissa for an excellent start to the year and encourage her to continue her approach.

Attitude and Effort

Very Good

Clarissa is a capable and committed student who strives to achieve her best in this subject and has a genuine interest in French language and culture. She can always be relied upon to participate fully in class and makes the most of every opportunity to enhance her understanding of the language. Clarissa's results are consistently solid and her performance in the examination was strong. By striving to incorporate a range of advanced grammatical structures and high level language into both her written and oral work, she will continue to achieve at a high level. For the remainder of the year, Clarissa will be able to sustain and improve upon her current excellent level of achievement if she works to incorporate a greater range of tenses and complex grammatical structures into her work, and if she continues to refine the detail of her responses in listening and reading comprehension tasks. It has been a pleasure teaching her once again this year and I wish Clarissa success for the future.

Excellent

Clarissa is an intelligent Literature student who should take pride in her achievement this semester. Her creative work is inventive and fluent, and her critical writing is usually relevant, and is always fluent, sophisticated and well supported. To reach her full potential in this subject, I suggest Clarissa applies herself to addressing all aspects of the question as directly as possible. This is one area that robs her of achieving the very highest results in this subject. Thank you, Clarissa for the enthusiasm you bring to class discussions and activities, and best wishes for next semester.

It is a rewarding experience to be teaching a student of Clarissa's calibre yet again this year. She is truly remarkable in her approach to the way she goes about her work in the mathematics class. Not only is she an outstanding contributor, she also asks thought-provoking questions. Clarissa's performance and application in this subject is second to none. She can always be relied upon to complete set tasks and more. Clarissa has worked hard to minimise the careless errors in her assessments, and this was shown in her examination where she achieved a perfect score for section one. Congratulations on your outstanding achievements in this subject, Clarissa. You have been an absolute pleasure to teach over the past two years and I continue to look forward to hearing about your many successes outside of the classroom.

A friendly student, Clarissa has worked diligently to achieve superior results throughout the semester. She seeks assistance whenever it is needed, completes copious amounts of extra work from various resources, and actively contributes to class discussions. Clarissa is to be commended for a superb semester's work and for achieving an A grade in this challenging course. She is a joy to teach and I look forward to guiding her progress throughout the remainder of the year.

Clarissa demonstrates natural ability in Physics. Her work ethic is commendable and her written explanations in assessments are succinct and refined – testament to her broad knowledge and understanding of the content. Clarissa's problem-solving skills are exemplary and her I commend her on her meticulous approach to each question she completes. She achieved an outstanding examination result, of which she should be most proud; however, she was disappointed with herself. I encourage Clarissa to focus on those aspects of the examination that worked well for her and continue her efforts, as I am sure that with her determination and attention to detail she will achieve the results she aspires to. Congratulations, Clarissa.

Form 12.4	G Schrock
------------------	------------------

Clarissa has taken on the challenges of Year 12 with grace and enthusiasm. The beginning of the year has been busy for everyone, but especially for those girls taking of Official positions, and Clarissa has been working effectively to promote the student body in her role as Vice-President of the Student Representative Council. This generosity of spirit is further demonstrated in her completion of over 170 hours of Community Service, an impressive accomplishment. Clarissa set herself extremely high achievement goals for her ATAR subjects this year and I know that, despite her truly exceptional results, she was still disappointed with some of her interim results. I encourage her to build on her success rather than focus on her disappointment, and I am sure that she will achieve the results that she desires. Clarissa has continued her commitment to a variety of co-curricular activities including Strings Orchestra, PC Voices, Barbershop and Swimming, attesting to her excellent organisational skills. I commend Clarissa on her leadership of the Swimming Team and on receiving Swimming Colours and Participation Colours. It has been a privilege to share the last five years with Clarissa and I know that she has a bright future ahead of her. Best wishes and well done!

Principal's Comment

Clarissa should be very proud of her results this semester, as they place her in a strong position to be highly successful in her WACE examinations. She is to be congratulated for her superb results.

Clarissa's dedication and commitment to so many areas of the School have been exceptional and she can be very pleased with all of her achievements. She has embraced every opportunity that has come her way and is quite remarkable in the way she has balanced her academic studies with a demanding co-curricular programme. It was wonderful to witness Clarissa's solo performance at Concerto Night where she displayed her talents, dedication and passion for music. I hope she will continue to use this skill to bring joy to herself, and to others who hear her perform.

I would like to congratulate and thank Clarissa for the exemplary leadership she has displayed as a School Official in her role as SRC Vice President. She has made an outstanding contribution to the School, which has been very much appreciated and has earned her the respect and admiration of the staff and her peers.

Clarissa is a fine young woman who epitomises the very best characteristics of what we at Perth College desire for each student. She has been a superb role model to her peers and the younger students. Best wishes for the future, Clarissa, and I look forward to hearing where life takes you beyond Perth College. Good luck!

REFERENCE FOR MISS CLARISSA LUK

To Whom It May Concern,

Clarissa has been a member of the Inglewood Little Athletics Centre for five years finishing as an U17 senior athlete in 2017. During that time Clarissa has conducted herself professionally and with a smile. No matter how great or few her competitors, she always gave her best with each event, being a role model to our younger athletes.

Clarissa has excelled at several track events including short sprints and hurdles, breaking Centre records in the 100m, 200m Hurdles and 300m Hurdles. Her achievements continued, medalling in State Championships and subsequently being selected for inclusion into the WA Little Athletics State Team to compete in Malaysia in 2015.

As she approached the end of her time with Little Athletics, Clarissa elected to devote some of her time to coaching the junior members of the Centre, training as a Level 1 Accredited Athletics Coach and offering help when she was needed. Athletes like Clarissa mean a great deal to our Centre, not just for her individual athletic achievements, but for her effort, guidance and leadership providing a model to which our younger athletes can aspire. There is no better advertisement for Inglewood LAC than a senior athlete like Clarissa Luk.

Yours Sincerely,

Dear Clarissa Luk

We would like to thank you for sponsoring Zeke to attend Camp Kulin during our 2017 Summer Season.

Over the course of the summer, 176 campers and 52 volunteer camp counsellors attended Camp Kulin. Campers learnt a number of important life skills, such as leadership, respect, trust, teamwork, self confidence, perseverance, self esteem, communication skills, problem solving, anger management and more.

Our Camp Kulin team noticed a huge difference in the campers over the time they were with us. Since the campers arrived home, we have received very positive feedback from parents and case workers who have noticed big changes in their children, particularly relating to improved self esteem and confidence, ability to regulate emotions, anger management, ambition and behaviour.

Our scholarship campers would not be able to attend Camp Kulin without generous donations from sponsors such as yourselves, and the families are very grateful for your support. We have enclosed a copy of our summer feedback pack for you, which gives you summer statistics, feedback from our campers, parents and camp counsellors on the benefits of Camp Kulin. We hope you enjoy reading it. You can also see our Camp Kulin music videos from each session by going to Youtube and typing "Camp Kulin Summer 2017" into the search.

Thank you again for your support of Camp Kulin.

Yours sincerely

Dear Clarissa

LETTER OF ACKNOWLEDGEMENT

On behalf of Therapy Focus I would like to thank you for your valued support at our Christmas Gift Wrapping held at Westfield Innaloo during December 2016.

As a not-for-profit organisation, Therapy Focus relies on the generous support of volunteers to assist with our community events and fundraising initiatives. Your contribution helps raise awareness of Therapy Focus and our GIVE Program, which provides funding assistance to support independence, participation and social inclusion of WA people with disabilities and their families.

Thank you again for your continued support and for donating an amazing 26 hours of your time to our cause. Thanks to the support of dedicated volunteers such as yourself, we were able to raise \$16 750 which will support people with disabilities to purchase much needed equipment and resources.

Once again, thank you for your support of Therapy Focus. We look forward to working with you again in the near future.

Sincerely,

Dear Clarissa

Congratulations on being selected as a 2017 Student Official. You will hold the position of SRC Vice President.

You can be very proud of your achievement. To be supported and selected by your fellow students and the staff is a great honour and confirms that your leadership qualities are highly regarded. As a leader of the School you will have responsibility for your portfolio, upholding and promoting the School's ethos and values and to be a role model for other students. I have every confidence that you will take on this position with enthusiasm and fulfil these responsibilities to the best of your ability.

You will be working with Mrs Macnaughtan in your role and I am sure you will be well supported to develop as a leader. I have attached a copy of your role description and I would ask that you read through this carefully prior to your first planning meeting next week.

I will be introducing you to the School a part of the handover ceremony on Monday 24 October at the final Year 12 assembly. Please sit in the front two rows of the theatre.

Congratulations again on your selection as a Student Official. Together with the staff I wish you every success and hope that you enjoy taking on the exciting challenges in 2017. We all look forward to supporting and working with you next year as a leader of the School.

Kind regards
