Semester 1 Report
JUNE 2022

Head of Boarding

Ella remains a very much-loved member of our boarding community with a warm heart and genuinely kind and considerate nature which are all factors in the many firm friendships she has developed in boarding. Determined to achieve both professionally and personally, Ella has worked diligently to forge her own entrepreneurial profile outside of the school environment, which has included speaking at various events and taking on clients via her web8 app development business. As Technology Captain, Ella has demonstrated her leadership skills by running various clubs for students, and this has also extended into the boarding house where she has initiated support of our youngest boarders through tech activities. Ella is disciplined in her approach to her studies, which has allowed her to achieve some pleasing results. She has developed well organised routines and structures in prep that will stand her in good stead in the coming months as she heads towards her next exam period. Ella is a valued and respected member of the Anne Symington House community.

Link Teacher

My congratulations to Ella on an excellent report! Ella is well regarded by her peers and treats all those around her with respect. She continues to be inclusive in our Link group, is always proactive to instigate conversations and is interested in others. Ella is a well-mannered, delightful young lady with a positive, friendly personality. She should be proud of her academic achievements this semester across her subjects, including a Certificate of Distinction and Aspire Award for Semester 2 Year 11, which were awarded this year. It is also very pleasing that Ella has participated in a huge range of co-curricular activities such as interhouse swimming. Ella is the School Technology Captain and should be very proud of this achievement and recognition of her obvious talents in this area. Ella runs the Minecraft Club, which encourages girls to learn to code and be innovative. In addition, Ella runs VR club, focusing particularly on immersive experiences that can be educational and E-sport Club. The year 7s love E-sport Club and Ella is particularly dedicated to this club. She is planning an external competition called Fuse Cup. Within these clubs, Ella has tried to cultivate leadership s by assigning leaders and guiding them - hoping to be making future technology captains! What an amazing act of leadership and dedication! Ella's efforts cannot be underestimated as she works tirelessly to promote technology within the school. Following up on previous captains' initiatives, Ella runs Creation Station, whose aim is to liven up the Technology Department and to encourage teamwork and to spark some curiosity. In addition, Ella has started up the TV full of 'tech' PowerPoints to inform and inspire, and has re-done the Inspiration Wall to provide local inspiration so that the girls can see "what is possible". Ella makes sure our school is kept up to date with opportunities within STEM and has also run a Minecraft session in the boarding house to help homesick girls. Ella is a successful ambassador and advocate for teaching girls to code and we are so lucky to have her as our Technology Captain. Outside of school, her talents extend to tutoring at the Girls' Programming Network and being an ambassador for Girls of Impact. Ella also has her own business that makes apps and websites. Ella has managed to maintain excellent academic results whilst fulfilling her role as Technology Captain. You have lots to be proud of, Ella! I hope you will consider all your amazing achievements with pride and satisfaction; you often downplay or underestimate your abilities and achievements and I think this summary proves otherwise. You are a credit to your school and family!

IPACC Learner Dispositions

IPACC: Independence, Persistence, Adaptability, Curiosity, Communication

	Knowing What <i>The student can identify the attributes of an IPACC Learner</i>	Knowing How <i>The student knows how to be an IPACC Learner, and may show this with assistance</i>	Doing <i>The student can demonstrate the IPACC Learner dispositions with minimal assistance</i>	Valuing <i>The student demonstrates the IPACC Learner dispositions automatically as part of their personal values system</i>
Independence	Students might • identify independence as a learning disposition • be able to explain , in basic terms, what it means to be an independent learner	Students might • be independent when asked to work on their own	Students might • work on tasks independently	Students might • prioritise academic and personal endeavours effectively
		• reflect on their thoughts, actions and behaviours when prompted	• reflect on and modify thoughts, actions and behaviours	• adapt thoughts and behaviours to suit different learning contexts
		• follow through on tasks set by a teacher	• follow through on tasks	• set their own learning tasks/goals
		• identify when they are unmotivated for tasks	• identify the usefulness or relevance of tasks	• value learning , even with boring or repetitive tasks
Persistence	Students might • identify persistence as a learning disposition • be able to explain , in basic terms, what it means to be a persistent learner	Students might • be persistent when asked to try again	Students might • persist on difficult or repetitive tasks	Students might • persist on a difficult task until it is mastered
		• set goals at the direction of a teacher	• set and stick to personal learning goals	• achieve or recalibrate personal learning goals
		• seek to solve problems with the guidance of an adult (rather than an adult doing it <i>for</i> them)	• seek to solve problems with the minimal appropriate adult intervention	• approach/solve problems independently
Adaptability	Students might • identify adaptability as a learning disposition • be able to explain , in basic terms, what it means to be an adaptable learner	Students might • be flexible when asked to try a different approach	Students might • try different approaches/ ways of doing things	Students might • actively seek out alternative methods, ideas and opinions
		• respond to feedback when directed	• respond to feedback as required	• seek out, welcome, and encourage honest feedback
		• work within a range of different contexts and communities as directed by a teacher	• work effectively in a range of different contexts and communities	• seek out opportunities to work in different contexts and with different communities
		• respond thoughtfully to carefully managed changes and disruptions	• respond thoughtfully to changes and disruptions	• embrace change and disruption as an opportunity to learn
Curiosity	Students might • identify curiosity as a learning disposition • be able to explain , in basic terms, what it means to be a curious learner	Students might • be curious when asked to find out more	Students might • seek to find out more on a topic or issue	Students might • question and challenge sources of knowledge
		• ask critical questions when prompted by a teacher	• ask critical questions	
		• take responsible risks under the direction of a teacher	• take responsible risks	• embrace doubt and risk failure in the pursuit of learning
		• takes an active interest in teacher-directed topics	• explore related topics, ideas and issues	• actively pursue and develop personal learning interests
Communication	Students might • identify communication as a learning disposition • be able to explain , in basic terms, what it means to be a communicative learner	Students might • be communicative when asked to share their views	Students might • share their views openly	Students might • engage others in constructive, open dialogue
		• show an awareness of the thoughts and feelings of others when prompted	• consider the thoughts and feelings of others when communicating	• change their mind when presented with appropriately rigorous evidence
		• be inclusive when assigned group activities	• include others in decision-making	• actively moderate discussions to ensure a range of voices are heard
		• listen actively with coaching from a teacher	• listen actively and respectfully
