<i>Jack has worked hard over the semester to achieve this grade. Jack takes great responsibility for his work and learning. He persists at tasks and corrects mistakes to improve his work. Continued effort and a sound revision plan will further consolidate his understanding of key concepts as well as maximising the use of past examination papers to improve his overall performance.</i>							Attitude, Behaviour and Effort	Participates fully	✓

LITERATURE ATAR YEAR 12 (ATLIT)

School Semester Grade	A	B	C	D	E	School Semester Mark	54	School Examination	45	Consistently	Often	Sometimes	Seldom	Not Assessed
<i>In Year 12 Literature this semester, Jack has studied Modernist poetry, Australian prose, and has been introduced to a complex post-modern drama script, exploring the relationships between context, genre and representation. Jack has struggled to consistently engage with the course this semester, and could benefit from implementing a more rigorous Literature study regime to ensure he completes more of the assigned class and homework. I also recommend that Jack practises writing about his studied texts in relation to key syllabus concepts, to better prepare him for exams. I look forward to monitoring his progress in Semester 2.</i>							Attitude, Behaviour and Effort	Participates fully			✓

School Semester Grade	A	B	C	D	E	School Semester Mark	79	School Examination	83	Consistently	Often	Sometimes	Seldom	Not Assessed
<i>Jack is a conscientious and talented student who has worked quietly in class this semester. He always shows a focused attitude towards his learning and strives to do his best in this course. By studying the syllabus dot-points, Jack would be able to highlight these strengths and specific areas for improvement. This process, together with the completion of as many past assessment items as possible, should allow him to achieve at an even higher level.</i>							Attitude, Behaviour and Effort	Participates fully	✓

Jack is a delightful student who approaches his studies with a strong sense of purpose and an excellent work ethic. He consistently produces written work and assessment tasks of a high quality, demonstrating a sound understanding of the theoretical aspects of the course. Jack's inquisitive manner and analytical approach makes him a much valued class member who contributes frequently to group activities and class discussions. In the practical dimension of Physical Education Studies, despite having some injury challenges, he has persevered and has made satisfactory progress. Jack is a motivated learner and I have every confidence his approach to learning with focus on the practical component will continue to give him the opportunity to succeed next semester.

Jack completed a pleasing Semester 1 in Physics, with his marks showing continual improvement. Unfortunately, his examination mark was well below his personal average. Jack should use the past ATAR papers provided in order to thoroughly revise the topics of Projectile Motion, Torque and Equilibrium, and Electromagnetism. I wish Jack continued success in his remaining assessments.

Online Literacy and Numeracy Assessment (OLNA) Results

In order to achieve the Western Australian Certificate of Education (WACE), students are required to demonstrate that they have met a minimum standard in literacy (reading and writing) and numeracy. Students can meet these minimum standards either by achieving Band 8 or higher in the NAPLAN reading, writing and numeracy tests in Year 9 or by meeting the minimum standards of the reading, writing and numeracy components of the Online Literacy and Numeracy Assessment (OLNA) from Year 10. Students have up to six opportunities (two per year) from Year 10 through to Year 12 to demonstrate the literacy and numeracy minimum standards.

OLNA Test	Category	Result
Numeracy	Cat 3	Jack has demonstrated the minimum standard by prequalifying through Year 9 NAPLAN
Reading	Cat 3	Jack has demonstrated the minimum standard by prequalifying through Year 9 NAPLAN
Writing	Cat 3	Jack has demonstrated the minimum standard by prequalifying through Year 9 NAPLAN

Attendance Profile

Number of half day absences: Semester 1

Percentage Attendance:

Students have embraced their final year at Perth Modern whole heartedly. The Masquerade Ball was the social event of the year with students looking gorgeous as they danced the night away at Optus Stadium. I congratulate the students on their calm and diligent approach to their studies, and encourage them to keep their goals for the year and future pathways in mind, as they work towards completing their final year of Secondary School. This cohort continue to support each other at every opportunity, and it is a joy to watch them grow into community-minded young adults.
