YEAR 12 SEMESTER 1 2019

[Student Number 25213377]

Explanatory Notes

The information contained in this report is a summary of your child's achievement, attitude, behaviour and effort. Formal reports are provided twice a year at the end of each school semester. This report is one of a number of strategies used by the school to communicate to you about your child's progress.

Course Unit Results

The Western Australian Certificate of Education (WACE) Course units are semester or year length.

- Grades represent student achievement in relation to the difficulty of the unit.
- Marks (if included) for each Course unit will be a unit mark out of 100.

Vocational Education and Training (VET) Qualifications

VET qualifications are for students wishing to participate in nationally recognised training. Qualifications contribute to the WACE as unit equivalents.

Competency results may be final or progress towards future completion. Final results may be subject to external verification.

Endorsed Programs

Endorsed programs provide access to areas of learning not covered by WACE courses or VET programs. They are delivered in a variety of settings by schools, workplaces, universities and community organisations. These programs contribute to the WACE as unit equivalents.

Students are awarded a result that indicates the level of achievement within the context of the program.

Grades

Grades can be interpreted as follows:

- A - Excellent achievement
- B - High achievement
- C - Satisfactory achievement
- D - Limited achievement
- E - Unsatisfactory achievement
- U - Requirements not completed

Sarthak is a hard-working and curious student in the Chemistry classroom. His keen work ethic and determination has precipitated a variety of outstanding assessment results this semester. Sarthak should be proud of his progress thus far, and if he continues his studious approach, he should continue to perform at a high level this year.

Sarthak is a dedicated student in Economics. He has approached his study consistently well over the semester, broadening and deepening his understanding and seeking clarification when he needs it. He often produces work for feedback which is an effective study practice. This has ensured that he has developed an excellent depth of knowledge of the interrelationships between economic concepts and is able to produce this understanding under assessment conditions. Sarthak has achieved at a high level in assessments culminating in a strong examination result. If Sarthak continues to apply himself in the same manner across Semester 2, he will achieve highly in this subject. I congratulate Sarthak on an excellent Semester 1 result and look forward to assisting him to achieve his goals this year.

This semester, students in ATAR English have been exploring representations of themes, issues, ideas and concepts through a comparison of texts. They have critically analysed, compared and composed a range of texts in relation to language, genre and context. Sarthak has produced a pleasing overall semester mark in English. He is to be commended for his high examination mark and his positive attitude towards this subject. His understanding of the English syllabus and course requirements could be enhanced with wider reading of a diverse range of material to ensure continued success in his writing Tasks next semester.

This semester Sarthak has demonstrated an excellent understanding of concepts and techniques in the Year 12 Specialist course. His assessments results have been mostly very strong, and he shows motivation and focus in his approach to learning. In his exam, Sarthak experienced some difficulties with questions that involved reasoning with 3-dimensional vectors, and using complex numbers to solve polynomial equations. He is encouraged to continue to develop his familiarity with standard specialised problem-solving techniques used in textbooks and past exam papers. Combined with his committed attitude towards achieving success, this should assist him in lifting his results to an even higher level in the remainder of the year.

Sarthak has undertaken the Year 11 and 12 Food Recreation Course this Semester. In this course students are given the opportunity to develop advanced skills in the preparation, cooking and presentation of foods. Also, students increase their knowledge of the sensory, physical, chemical and functional properties of food. Sarthak has demonstrated himself to be a positive and encouraging student, and he is always supportive of others.

The Year 12 Advocacy program has been guiding students to obtain a strong Sense of Control and Direction as they prepare to exit Perth Modern School. Guest presenters and time with mentors have allowed each student to build stronger working relationships with staff and their peers as they seek to be ready to thrive in the challenges they have ahead. Sarthak is an easy going and friendly member of 12A Advocacy. He has formed close friendships with his peers and can always be relied on to responsibly engage in all aspects of the program. I wish Sarthak every success in the future and have enjoyed having him in class.

<i>Sarthak is a committed and hard-working student in Chemistry. He endeavours to understand all theoretical concepts to the fullest level of detail, applies logical reasoning when solving problems, and clearly enjoys developing his knowledge independently. He collaborates effectively with his peers during group tasks, and is developing his laboratory skills. Sarthak has consistently performed at a very high standard in assessments, including an outstanding performance in his end of year examination, and should be very proud of his achievements this year. In order to continue to perform at this level, Sarthak should endeavour to read ahead of his lessons, and make time for ongoing revision. This semester Year 11 students focused on the theme "Sense of Future". Students became more aware of the options available to them when they leave Perth Modern by exploring personal goal setting, university placements and the first steps into a professional career. Sarthak is an engaged and enthusiastic participant during Advocacy and I look forward to supporting Sarthak in his studies during 2019.
