RE: Zouruhong (Vivian) Wang – University of Sydney Scholarship application

To Whom It May Concern,

This letter is provided in support of Zouruhong's application for a scholarship at the University of Sydney. Zouruhong is currently a student at Perth Modern School – Western Australia's only fully selective gifted and talented high school and has been since year 7. Zouruhong is currently completing her Western Australian Certificate of Education and is studying 6 ATAR subjects – English, Chemistry, Japanese, Psychology, Mathematics Methods and Mathematics Specialist. Zouruhong is keen to pursue further studies in both the commerce and science field and is looking to apply for a Commerce (Actuarial Science) and Computer Science double bachelor's degree.

Academically, Zouruhong has consistently demonstrated high potential and achievement during her time at Perth Modern School. She has shown strength across a range of disciplines, and in those subjects, her consistent achievement of 'A' grades has allowed her to be a part of the Sphinx Society for all of senior school. Mathematics is one of Zouruhong's strengths, and in 2020 she was awarded a distinction in the Australian Mathematics Competition and merit for her school achievement. In 2020, Zouruhong was also awarded merit for her achievement in Japanese. Over the years, she has also received multiple letters of commendation for her academic achievement in English, Mathematics and the Sciences.

Zouruhong has a strong propensity for leadership. Since 2021, Zouruhong has been a part of the Wellness Advocacy at school, dedicating her time and insight to hosting activities to support the well-being of students from all year levels. Through her membership in the advocacy, she was able to lead tea stalls during lunchtimes and host movie showings for students as a way of relaxation. Zouruhong has also dedicated hours to mentoring a year 7 student in 2021. Through this, she was able to guide and provide support to younger students and give insightful advice regarding the handling of stress and organization tips. She has also been a leader of the Book Club at school, in which she organizes, along with a team of others, to encourage reading and sharing of books among students.

Zouruhong is keen on her involvement in extra-curricular activities. Since year 7, Zouruhong has been in the school music program for classical guitar and is now completing her Instrumental and Ensemble Music Performance Endorsed Program, to which she has dedicated over 150 hours since year 11. Over the years, Zouruhong has been a part of several school choirs, and from her commitment to learning piano outside of school, she was able to play piano accompaniment for a school-based chamber choir. Zouruhong has also been a part of her local badminton club and positively engaged in school athletic carnivals. In 2022, Zouruhong took part in a debating team where she was able to challenge herself with something new.

Zouruhong has completed over 200 hours of community service over the last two years, equating to the completion of four community service endorsed programs. Whilst Zouruhong has volunteered with a range of organizations, the main ones are Knit One Give One (KOGO), Good Sammy and Salvos, where collectively she has done over 150 hours. The KOGO community service involves the technical skill of knitting 20 by 20-centimetre squares to be combined into blankets for the homeless. The latter two involve a range of communication and organization skills as staff inside a second-hand store, and Zouruhong has been able to enhance her interpersonal skills. During Zouruhong's time at

PERTH MODERN SCHOOL

Exceptional schooling. Exceptional students.

Good Sammy, she was also able to work alongside people with disabilities and volunteers of all ages, and so she was able to gain fresh perspectives and become more knowledgeable regarding the nature of teamwork and cooperation.

Perth Modern School has no hesitation in supporting Zouruhong in her scholarship application to the University of Sydney. Zouruhong is a courteous, cooperative and responsible student who gets along well with others. She will, no doubt, seek out opportunities in all facets of college life and be an asset to your institution.

Should you require further information, please do not hesitate to contact me.

Yours sincerely,

Monica Franz

Zouruhong is a very good student whose extremely motivated approach has yielded excellent results this semester. She is always willing to ask questions to clarify her understanding. To maintain or improve this standard throughout the rest of the year she should continue with her study routine and supplement this with past exam practice questions.

This semester, students in ATAR English have been exploring representations of themes, issues, ideas and concepts through a comparison of texts. They have analysed, compared and composed texts to explore relationships between language, genre and contexts through study of short stories and film. Zouruhong has been a mature and independent member of our class. She has produced routinely strong content that exhibits an informed understanding of course concepts, including a very good essay. To improve, Zouruhong should aim to strengthen the structure of her responses by utilising the frameworks discussed in class more effectively and employing the conventions of text types selected with greater precision. Furthermore, Zouruhong should aim to make effective planning and time-management a priority for her in-class assessments. I advise that she regularly undertake timed practice responses and submit these for feedback. I have enjoyed working with Zouruhong this semester.

Zouruhong worked very well in Psychology this semester. She focused well in class and was an eager contributor to discussions. Zouruhong's in-class assessments showed similarly good understanding and preparation. The first semester exam was challenging and Zouruhong's revision was tested further. Overall, she showed good knowledge, though more exam practice would help her adjust her expression to be more in line with exam marking keys. Keep up the hard work Zouruhong and good luck for the rest of Year 12.

Students have embraced their final year at Perth Modern whole heartedly. The Masquerade Ball was the social event of the year with students looking gorgeous as they danced the night away at Optus Stadium. I congratulate the students on their calm and diligent approach to their studies, and encourage them to keep their goals for the year and future pathways in mind, as they work towards completing their final year of Secondary School. This cohort continue to support each other at every opportunity, and it is a joy to watch them grow into community-minded young adults.
